Dear Rod:

As per our recent telephone conversation, enclosed is a copy of the revised location notice for AMC 423072, Johnny B Good II, filed on May 1, 2013. The original has been sent to the Maricopa County Recorder's Office. As we discussed, the revised notice includes both myself and Peggy Bonner as locators. In the original location notice sent to the county office and copied to you, I inadvertently left her name off the form.

Thanks again for all your help.

Here's the amended location notice and BLM forms we talked about last week. I also talked with Tony Smith, who was quite helpful.

I've already received the stamped documents back from BLM on both the amended claim and the newly filed claim (AMC# 423072), Johnny B Good II.

It probably makes no difference at this point, but as a matter of record - I gave a discovery date of May 1, 2013 for the new claim (AMC 423072) in the documents I filed. To refresh - when I bought the full 80-acre claim last summer, it included what is now AMC 423072.

At that time, the original discovery date by the individual who sold me the claim is March 6, 2011, as per your records. Again, may not make any difference.

Thank you for all your help!

Type of Claim: Placer

Dear Sir/Madam:

This is a Notice of Location concerning the above referenced placer mining claim, named Johnny B Good II, located in Maricopa County, AZ. A survey map is enclosed indicating the location and boundaries.

A personal check for \$329.00 is enclosed for the recordation fees, which include a \$15 filing fee, \$34 location fee, \$140 maintenance fee covering the first 20 acres, and an additional \$140 maintenance fee for the additional 20 acres.

A copy of this document also has been sent to the Maricopa County Recorder's Office with the appropriate fees.

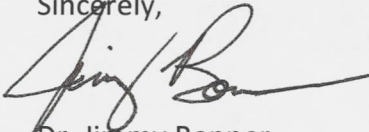

By way of explanation, this claim was part of an 80-acre claim (titled Johnny B Good AMC 407047)), which I purchased from an individual in Arizona in the summer of 2012. The individual filed the quit-claim transfer document directly with BLM, but for some reason submitted only two of the four names I had provided as signers. As a result, I received a notice from BLM requiring an amended claim reducing the claim to 40 acres.

The amended document is included with this mailing, as a separate document. In the amended document, the 40-acre portion of the claim retained is now titled Johnny B Good I. The remaining 40-acre portion is being relinquished as required in the amendment, and is now being claimed with this Notice as Johnny B Good II, and under the normal procedure for recording a new mining claim as per telephone conversations with Mr. Rod Ebert in your office.

Thank you for processing this request. If I have overlooked any item associated with this filing, please let me know at (662) 323-1985 or email [jbenergy2004@yahoo.com](mailto:jbenergy2004@yahoo.com)
