Giles W. Goswick being first duly sworn, desposes and says that he is a citizen of the United States of America and more than 18 years of age, residing at 9755 Poland Junction Road Humboldt, Arizona 86329. That in his capacity as agent for himself, he is personally acquainted with the contiguous group of mining claims described in exhibit "A", attached hereto and made part hereof, which claims are situated in the Big Bug Mining District, Yavapai County, Arizona, the location notices of which are of record in the office of County Recorder of said county at books and pages set forth in Exhibit "A".

That the notices of location of said claims are posted within the following Section, Township, and Range : Section 6, Township 12 North, Range 1 East, Gila and Salt River Base and Meridian, Yavapai County, State of Arizona;

That Giles W. Goswick whose mailing address is P.O. BOX 157, Humboldt, Arizona 86329 is the owner of the above described claims;

That between noon on the 2nd day of September 2017 and noon on the 1st day of September 2018 at least \$900.00 (Nine Hundred Dollars) worth of work and improvements were done and performed upon and for the benefit of each of said claims not including location work of said claims;

That such work and improvements consisted of repair and maintenance of the creek crossing and access roads with a bulldozer which were badly damage by severe rains following the Goodwin forest fire. The work also included sampling of mineralized outcrops. Mechanical repair and maintainance of the road and creek crossing was completed using a bulldozer. Manual repair of the road and creek crossing was also completed. Strongmonsoon storms cause flooding and debris flows which damaged the road and the access to the lode mining claim group. Goswick for the benefit of the owner of said claims, for the purpose of complying with the laws of the United States of America pertaining to assessment or annual work. The work is intended to hold the said claims during the annual assessment period ending at noon, September 1st, 2018;

That the contiguous claim group described in Exhibit "A" is currently exempt from having to make mining claim rental payments because they received an approved "Small Miners Exemption from Payment of Rental Fee" from the Bureau Of Land Management;

Dear Sirs or Madams:

Re: Re-Filing (Ammending) Maintenance Fee Waiver Certification  
Filing and Recordation for 8 Lode Mining Claims

Enclosed is a Maintenance Fee Waiver Certification form I wish to file and record with your office. I located one additional claim the Mega Lotto on July 21st, 2017 after I submitted a Maintenance Fee Waiver for seven claims in early July. I wish to include the Mega Lotto lode claim AMC # 423380. I filed and recorded the claim with the Yavapai County recorders office. I also filed with the BLM Arizona State office last week and received and AMC Number. Enclosed is my revised Maintenance Fee Waiver Certification form including the newly located lode claim. There are now 8 (eight) total Lode Mining Claims. Please examine the completed form before filing and if anything appears wrong or incorrect please contact me so I can correct the error before the filing deadline.

Thank you for your help.

Sincerely,

Giles W. Goswick

P.S.: Two forms enclosed. Please file appropriate form and destroy the other.
