AMC424761

GRIZZLY #2

Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

The dimensions of the placer mining claims listed above are not in conformance with the U.S. Public Land Survey System and its rectangular subdivisions. For example, using the rectangular survey system, the correct dimensions for a 20 acre placer claim would be 1320 x 660, and a 40 acre claim would be 1320 x 1320.

In accordance with 43 CFR 3832.12(c) (1) You must describe placer claims by aliquot part and complete lots using the U.S. Public Land Survey System and its rectangular subdivisions except when placer claims are (i) On unsurveyed Federal lands; (ii) Gulch or bench placer claims; or (iii) Bounded by other mining claims or nonmineral lands. If one of these situations exists you must describe the lands by protracted survey or by metes and bounds.

The amendment must provide one of the following:

1. Identify which situation exists to allow a placer to be located by metes and bounds and provide a metes and bounds description; or

Amendment rec'd 6-19-14
Exam'd 6-20-14

2. Locate the mining claim using the U.S. Public Land Survey System and its rectangular subdivisions and describe the mining claim by aliquot parts and complete lots.

When amending a claim, you cannot take in any new ground. If the claim is to be described by aliquot parts and complete lots, this may result in a claim that contains significantly less acreage than was originally located. If you wish to retain the same acreage, you may want to relocate the claim(s) correctly, rather than amend the incorrectly located claim(s).

There is a \$10 BLM processing fee for each amendment. We must receive the amendments within 30 days of your receipt of this notice. If the amendments are not received within the 30-day timeframe the mining claims will be declared null and void.

If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC serial number(s) on all correspondence.

Sincerely,

Rebecca Heick
Group Administrator
