Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

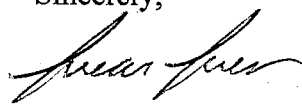

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below:

Although the submitted maintenance fee waiver contained an original signature, we do not know who signed the document. Please print the name of the person who signed the document and indicate in what capacity the person is signing for the company.

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$155 per claim (\$155 per 20 acres for placer claims larger than 20 acres). If we do not receive the requested corrections or the maintenance fees within the 60 day time frame, the claim(s) will be declared forfeited and closed.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.

Sincerely,

Lucas Lucero

: The block below contains a list of the claims

GOLDEN EAGLE #1, GOLD TREASURE #4

MINING CLAIMS DECLARED FORFEIT

The mining claims listed above have been declared forfeit for failure to file the required Notice of Intent to Hold (NOI) on or before December 30, 2014.

A small miner's maintenance fee waiver certification was filed for these claims for the 2015 assessment year, which began on September 1, 2014. Therefore, pursuant to regulations found at 43 CFR 3835.15 and 3835.31, an NOI must have been filed on or before December 30, 2014, along with a \$10 processing fee per claim. Failure to timely file this NOI and fee constitutes a forfeiture of the claims (43 CFR 3835.91).

Reclamation Requirements

You are required to reclaim all areas disturbed by your activities on lands encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance

order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please contact Pauline Brown at 602-417-9360.

Sincerely,

Rebecca Heick
Acting Deputy State Director
Lands and Minerals Division

4./ We also file two deeds in one notarized document.

5./ Since this year any deeds we sent, we did NOT receive any stamped copy back, we would like to ask for them to be sent, if it is possible.

5./ By going through the LR2000 database we found that even though we paid for the name change of AMC 415227, it is still registered under Almaglobe Group Inc name. Can you please be so kind to correct it. We attached the copy of checks.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 4011 S, 1849 C St., N.W., Washington, D.C. 20240.

Corrected 2016 Waiver for AMC405327 and AMC425083

1 message

To: almaglobe@gmail.com

We need another corrected waiver for the above mentioned claims.

We received the first waiver on 8/11/15, but the form was expired and the person signing the waiver (Edith S.) did not specify on the waiver (next to her signature) what signing authority she had with both companies.

We received the second waiver on 8/28/15, on the most current form (expires: Oct 31, 2016), but the person signing the waiver (Edith S.) did not specify on the waiver (next to her signature) what signing authority she has with both companies listed.

Whoever filled out the waiver form wrote the wrong AMC number (AMC405083), for MEGANS GOLD, the correct number is **AMC425083**. The person failed to list both companies separately and they failed to give their signing authority after their signature.

You must send in a corrected waiver on a non-expired form again. Write the correct AMC numbers and list BOTH companies with their separate address in the left hand column of the waiver form. The person(s) signing the waiver on behalf of each company must state the signing authority they have with each company. We must have the original signatures and please do write at the very top left hand corner the words "Corrected Waiver for 2016".

Thank you kindly; If you have any questions please do call me.

Hi dear Brown, Pauline,

I am sorry for these mistakes.

We had a nice conversation and I actually sent already still in August (at the end) corrected forms right away. I have the sneaking suspicion that you might not receive it, so I will send it again. (I even have the courier receipt somewhere).

Just for your information: Since we are Canadian citizens, we have to have a structure to own a US company: I and my daughter had to create a corporation in Canada. That can own a US corporation (Almaglobe Group INC) and that can own LLCs and one of them is Summit Exponential LLC. So I am the owner, the CEO and director. My daughter is the corporate secretary and director and owner as well.

We will send out the form again. And I also will scan it in for you again.

thanks: Edith Silverharbour

Thank you Edith,

It is very important that at all times you include your signing authority for the companies you sign for. If you have a POA you would have to include that as well. Please send it to my attention so that it will come directly to me. I will need to have the original signatures so a scanned copy will not be adequate.

NOTICES

THE PRIVACY ACT and 43 CFR 2.48(d) require that you be furnished with the following information in connection with the information requested by this form.

AUTHORITY: 30 U.S.C. 28f and 43 CFR part 3834 permit collection of the information requested by this form.

PRINCIPAL PURPOSE: The BLM will use the information you provide to record the annual maintenance fee payment for the claims and sites listed and to verify that payment has been made in accordance with 30 U.S.C. 28f and 43 CFR part 3834.

ROUTINE USES: The BLM will only disclose this information in accordance with the provisions at 43 CFR 2.56(b) and (c).
