Hi Amy

I noticed that the mining claim name data base had a Joe Schmotter in NV and a Joel V. Schmotter in AZ (AMC427582). I called Mr. Schmotter to try to find out if both were the same claimant and he verified that they are both him and that he would prefer the claim in AZ to be listed under Joe Schmotter because he had already submitted a plan of operations in NV under Joe and did not want to do anything that might mess that up. So, could you please have someone place a copy of this email in the case file so that it shows why his name was changed from Joel V to Joe. Please let me know if you would like me to consolidate the names in the name data base or if you will also have someone do that in addition to adding the proper code in LR2000.

Please let me know if you have any questions.

Thank you!

Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below:

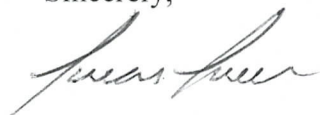

- The document is missing signatures. Next to each name there must be a signature: either that of the owner, or an authorized agent. Please obtain the missing signatures on the enclosed copy of the waiver.
- If an agent signs, they should identify themselves as signing on behalf of an owner, and a Power of Attorney must accompany the waiver document. The execution date on the Power of Attorney must be current within 3 years.

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$155 per claim (\$155

per 20 acres for placer claims larger than 20 acres). If we do not receive the requested corrections or the maintenance fees within the 60 day time frame, the claim(s) will be declared forfeited and closed.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.

Sincerely,

Lucas Lucero
