### Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

1. The lode claim filed gives a length of 600 feet and a width of 1,500 feet. Lode claims are limited in length to 1,500 feet and may not have a width greater than 600 feet (no more than 300 feet in width on each side of the middle of the vein). If you inadvertently switched the dimensions, then you must file an amended location notice with the correct dimensions.
2. The map provided does not adequately depict the location of the claim. You must provide an adequate map which would clearly show the footage and boundaries of the claim. The map should clearly mark the boundaries of both the section and quarter section and should depict where within the quarter section the claim lies. The map should be accurate enough for BLM to identify the mining claim on the ground.

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.

DD 9/17/15

If additional information is required, please contact Paune Brown at 602-417-9360. Please include your AMC serial number(s) on all correspondence.

Sincerely,

 Rebecca Heick

**AUTHORITY:** 30 U.S.C. 28f and 43 CFR part 3834 permit collection of the information requested by this form.

**PRINCIPAL PURPOSE:** The BLM will use the information you provide to record the annual maintenance fee payment for the claims and sites listed and to verify that payment has been made in accordance with 30 U.S.C. 28f and 43 CFR part 3834.

**ROUTINE USES:** The BLM will only disclose this information in accordance with the provisions at 43 CFR 2.56(b) and (c).

In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

1. The lode claim filed gives a length of 600 feet and a width of 1,500 feet. Lode claims are limited in length to 1,500 feet and may not have a width greater than 600 feet (no more than 300 feet in width on each side of the middle of the vein). An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.
