Article Sixteen Our Trustee's Powers

Section 16.01 Introduction to Trustee's Powers

Except as otherwise specifically provided in this trust, our Trustee may exercise the powers granted by this trust without prior approval from any court, including those powers set forth under the laws of the State of California or any other jurisdiction whose law applies to this trust. The powers set forth in the California Probate Code are specifically incorporated into this trust.

Our Trustee shall exercise the Trustee powers in the manner our Trustee determines to be in the beneficiaries' best interests. Our Trustee must not exercise any power inconsistent with the beneficiaries' right to the enjoyment of the trust property in accordance with the general principles of trust law.

Our Trustee may have duties and responsibilities in addition to those described in this trust. We encourage any individual or corporate fiduciary serving as Trustee to obtain appropriate legal advice if our Trustee has any questions concerning the duties and responsibilities as Trustee.

Section 16.02 Execution of Documents by Our Trustee

Our Trustee may execute and deliver any written instruments that our Trustee considers necessary to carry out any powers granted in this trust.

Section 16.03 Investment Powers in General

Our Trustee may invest in any type of investment that our Trustee determines is consistent with the investment goals of the trust, whether inside or outside the geographic borders of the United States of America and its possessions or territories, taking into account the overall investment portfolio of the trust.

Without limiting our Trustee's investment authority in any way, we request that our Trustee exercise reasonable care and skill in selecting and retaining trust investments. We also request that our Trustee take into account the following factors in choosing investments:

- the potential return from the investment, both in income and appreciation;
- the potential income tax consequences of the investment;
- the investment's potential for volatility; and
- the role the investment will play in the trust's portfolio.

We request that our Trustee also consider the possible effects of inflation or deflation, changes in global and US economic conditions, transaction expenses, and the trust's need for liquidity while arranging the trust's investment portfolio.

Our Trustee may delegate his or her discretion to manage trust investments to any registered investment advisor or corporate fiduciary.

Section 16.04 Banking Powers

Our Trustee may establish any type of bank account in any banking institutions that our Trustee chooses. If our Trustee makes frequent disbursements from an account, the account does not need to be interest bearing. Our Trustee may authorize withdrawals from an account in any manner.

Our Trustee may open accounts in the name of our Trustee, with or without disclosing fiduciary capacity, and may open accounts in the name of the trust. When an account is in the name of the trust, checks on that account and authorized signatures need not disclose the account's fiduciary nature or refer to any trust or Trustee.

Section 16.05 Business Powers

If the trust owns or acquires an interest in a business entity, whether as a shareholder, partner, general partner, sole proprietor, member, participant in a joint venture, or otherwise, our Trustee may exercise the powers and authority provided for in this Section. The powers granted in this Section are in addition to all other powers granted to our Trustee in this trust.

(a) No Duty to Diversify

Notwithstanding any duty to diversify imposed by state law or any other provision of this trust, our Trustee may acquire or indefinitely retain any ownership interest in or indebtedness of any closely held or nonpublicly traded entity in which the trust, we, our descendants, and the spouses of our descendants have an ownership interest (the *business interests*), and even though any business interest may constitute all or a substantial portion of the trust property. We specifically authorize our Trustee to invest or indefinitely retain all or any part of the trust property in these business interests, regardless of any resulting risk, lack of income, diversification, or marketability. We waive any applicable prudent investor rule, as well as the Trustee's standard of care and duty to diversify with respect to the acquisition or retention of these business interests.

We recognize that the value of a noncontrolling interest in a business entity may be less than the underlying value of the entity's net assets. Nevertheless, we authorize our Trustee to acquire or retain any noncontrolling business interests.

(b) Specific Management Powers

Our Trustee has all power and authority necessary to manage and operate any business owned by the trust, whether directly or indirectly, including the express powers set forth in this Subsection. Our Trustee may participate directly in the conduct of the business, by serving as a general partner of a limited partnership, a member, manager or managing member of a limited liability company, or a shareholder of a corporation, or may employ others to serve in that capacity.

Our Trustee may participate in the management of the business and delegate management duties and powers to any employee, manager, partner, or associate of the business, without incurring any liability for the delegation. To the extent that the business interest held by the trust is not one that includes management powers (such as a minority stock interest, limited partnership interest, or a membership interest in a limited liability company), our Trustee has no obligation to supervise the management of the underlying assets, and no liability for the actions of those who do manage the business.

Our Trustee may enter into management trusts and nominee trusts in which our Trustee and the trust may serve as the exclusive manager or nominee of property or property interests on behalf of any limited partnership, limited liability company, or corporation.

Our Trustee, individually, or if our Trustee is a corporate fiduciary, then an employee of our Trustee, may act as a director, general or limited partner, associate, or officer of the business.

Our Trustee may participate with any other person or entity in the formation or continuation of a partnership either as a general or limited partner, or in any joint venture. Our Trustee may exercise all the powers of management necessary and incidental to a membership in the partnership, limited partnership, or joint venture, including making charitable contributions.

Our Trustee may reduce, expand, limit, or otherwise adjust the operation or policy of the business. Our Trustee may subject the trust's principal and income to the risks of the business for any term or period, as our Trustee determines.

For any business in which the trust has an interest, our Trustee may advance money or other property, make loans (subordinated or otherwise) of cash or securities, and guarantee the loans of others made to the business. Our Trustee may borrow money for the business, either alone or with other persons interested in the business, and may secure the loan or loans by a pledge or mortgage of any part of any trust property.

Our Trustee may select and vote for directors, partners, associates, and officers of the business. Our Trustee may enter into owners' agreements with a business in which the trust has an interest or with the other owners of the business.

Our Trustee may execute agreements and amendments to agreements as may be necessary to the operation of the business, including stockholder agreements, partnership agreements, buy-sell agreements, and operating agreements for limited liability companies.

Our Trustee may generally exercise any powers necessary for the continuation, management, sale, or dissolution of the business.

Our Trustee may participate in the sale, reorganization, merger, consolidation, recapitalization, or liquidation of the business. Our Trustee may sell or liquidate the business or business interest on terms our Trustee deems advisable and in the best interests of the trust and the beneficiaries. Our Trustee may sell any business interest held by the trust to one or more of the beneficiaries of this trust or to any trust in which a majority of the beneficiaries are beneficiaries of this trust. Our Trustee may make the sale in exchange for cash, a private annuity, an installment note, or any combination of those.

Our Trustee may exercise all of the business powers granted in this trust even though our Trustee may be personally invested in or otherwise involved with the business.

(c) Business Liabilities

If any tort or contract liability arises in connection with the business, and if the trust is liable, our Trustee will first satisfy the liability from the assets of the business, and only then from other trust property as determined by our Trustee.

(d) Trustee Compensation

In addition to the compensation set forth in Section 15.08, our Trustee may receive additional reasonable compensation for services in connection with the operation of the business. Our Trustee may receive this compensation directly from the business, the trust or both.

(e) Conflicts of Interest

Our Trustee may exercise all of the powers granted in this trust even though our Trustee may be involved with or have a personal interest in the business.

Section 16.06 Contract Powers

Our Trustee may sell at public or private sale, transfer, exchange for other property, and otherwise dispose of trust property for consideration and upon terms and conditions that our Trustee deems advisable. Our Trustee may grant options of any duration for any sales, exchanges, or transfers of trust property.

Our Trustee may enter into contracts, and may deliver deeds or other instruments, that our Trustee considers appropriate.

Section 16.07 Common Investments

For purposes of convenience with regard to the trust property's administration and investment, our Trustee may invest part or all of the trust property jointly with property of other trusts for which our Trustee is also serving as a Trustee. A corporate fiduciary acting as our Trustee may use common funds for investment. When trust property is managed and invested in this manner, our Trustee will maintain records that sufficiently identify this trust's portion of the jointly invested assets.

Section 16.08 Environmental Powers

Our Trustee may inspect trust property to determine compliance with or to respond to any environmental law affecting the property. For purposes of this trust *environmental law* means any federal, state, or local law, rule, regulation, or ordinance protecting the environment or human health.

Our Trustee may refuse to accept property if our Trustee determines that the property is or may be contaminated by any hazardous substance or is or was used for any purpose involving hazardous substances that could create liability to the trust or to any Trustee.

Our Trustee may use trust property to:

conduct environmental assessments, audits, or site monitoring;

take remedial action to contain, clean up, or remove any hazardous substance including a spill, discharge, or contamination;

institute, contest, or settle legal proceedings brought by a private litigant or any local, state, or federal agency concerned with environmental compliance;

comply with any order issued by any court or by any local, state, or federal agency directing an assessment, abatement, or cleanup of any hazardous substance; and

employ agents, consultants, and legal counsel to assist our Trustee in these actions.

Our Trustee is not liable for any loss or reduction in value sustained by the trust as a result of our Trustee's decision to retain property on which hazardous materials or substances requiring remedial action are discovered, unless our Trustee contributed to that loss through willful misconduct or gross negligence.

Our Trustee is not liable to any beneficiary or to any other party for any decrease in the value of property as a result of our Trustee's actions to comply with any environmental law, including any reporting requirement.

Our Trustee may release, relinquish, or disclaim any power held by our Trustee that our Trustee determines may cause our Trustee to incur individual liability under any environmental law.

Section 16.09 Farm, Ranch, and Other Agricultural Powers

Our Trustee may retain, acquire, and sell any farm or ranching operation, whether as a sole proprietorship, partnership, or corporation.

Our Trustee may engage in the production, harvesting, and marketing of farm and ranch products, either by operating directly or indirectly with management agencies, hired labor, tenants, or sharecroppers.

Our Trustee may engage and participate in any government farm program, whether state or federally sponsored.

Our Trustee may purchase or rent machinery, equipment, livestock, poultry, feed, and seed.

Our Trustee may improve and repair all farm and ranch properties; construct buildings, fences, and drainage facilities; and acquire, retain, improve, and dispose of wells, water rights, ditch rights, and priorities of any nature.

Our Trustee may do all things customary or desirable to operate a farm or ranch operation for the benefit of the beneficiaries.

Section 16.10 Insurance Powers

Our Trustee may purchase, accept, hold, and deal with as owner, insurance policies on either or both of our lives, any beneficiary's life, or any person's life in whom any beneficiary has an insurable interest.

Our Trustee may purchase disability, medical, liability, longterm health care and other insurance on behalf of and for the benefit of any beneficiary. Our Trustee may purchase annuities and similar investments for any beneficiary.

Our Trustee may execute or cancel any automatic premium loan agreement with respect to any policy, and may elect or cancel any automatic premium loan provision in a life insurance policy. Our Trustee may borrow money to pay premiums due on any policy, either by borrowing from the company issuing the policy or from another source. Our Trustee may assign the policy as security for the loan.

Our Trustee may exercise any option contained in a policy with regard to any dividend or share of surplus apportioned to the policy to reduce the amount of a policy, to convert or exchange the policy, or to surrender a policy at any time for its cash value.

Our Trustee may elect any paid-up insurance or extended-term insurance nonforfeiture option contained in a policy.

Our Trustee may sell any policy at its fair market value to anyone having an insurable interest in the policy, including the insured.

Our Trustee may exercise any other right, option, or benefit contained in a policy or permitted by the issuing insurance company.

Upon termination of the trust, our Trustee may transfer and assign the policies held by the trust as a distribution of trust property.

Section 16.11 Loans and Borrowing Powers

Our Trustee may make loans to any person including a beneficiary, as well as an entity, trust, or estate, for any term or payable on demand, with or without interest, and secured or unsecured.

Our Trustee may encumber any trust property by mortgages, pledges, or otherwise, and may negotiate, refinance, or enter into any mortgage or other secured or unsecured financial arrangement, whether as a mortgagee or mortgagor. The term may extend beyond the trust's termination and beyond the period required for an interest created under this trust to vest in order to be valid under the rule against perpetuities.

Our Trustee may enter into, negotiate, or modify the terms of any mortgage or any other secured or unsecured agreement granted in connection with any loan entered into by either or both of us or by any Trustee, and may release or foreclose on any mortgage or security interest payable to either or both of us or to the trust.

Our Trustee may borrow money at interest rates and on other terms that our Trustee deems advisable from any person, institution, or other source including, in the case of a corporate fiduciary, its own banking or commercial lending department.

Our Trustee may purchase, sell at public or private sale, trade, renew, modify, and extend mortgages. Our Trustee may accept deeds instead of foreclosing.

Section 16.12 Nominee Powers

Our Trustee may hold real estate, securities, and any other property in the name of a nominee or in any other form, without disclosing the existence of any trust or fiduciary capacity.

Section 16.13 Oil, Gas and Mineral Interests

Our Trustee may acquire, maintain, develop, and exploit, either alone or jointly with others, any oil, gas, coal, mineral, or other natural resource rights or interests.

Our Trustee may drill, test, explore, mine, develop, extract, remove, convert, manage, retain, store, sell, and exchange any of those rights and interests on terms and for a price that our Trustee deems advisable.

Our Trustee may execute leases, pooling, unitization, and other types of agreements in connection with oil, gas, coal, mineral, and other natural resource rights and interests, even though the terms of those arrangements may extend beyond the trust's termination.

Our Trustee may execute division orders, transfer orders, releases, assignments, farm outs, and any other instruments that it considers proper.

Our Trustee may employ the services of consultants and outside specialists in connection with the evaluation, management, acquisition, disposition, and development of any mineral interest, and may pay the cost of the services from the trust's principal and income.

Section 16.14 Payment of Property Taxes and Expenses

Except as otherwise provided in this trust, our Trustee may pay any property taxes, assessments, fees, charges, and other expenses incurred in the administration or protection of the trust. All payments will be a charge against the trust property and will be paid by our Trustee out of income. If the income is insufficient, then our Trustee may make any payments of property taxes or expenses out of the trust property's principal. Our Trustee's determination with respect to this payment will be conclusive on the beneficiaries.

Section 16.15 Purchase of Assets from and Loans to a Deceased Trustmaker's Probate Estate

Upon the death of a Trustmaker, our Trustee may purchase at fair market value and retain in the form received any property that is a part of the deceased Trustmaker's probate or trust estate as an addition to the trust. In addition, our Trustee may make secured and unsecured loans to the deceased Trustmaker's probate or trust estate. Our Trustee may not be held liable for any loss suffered by the trust because of the exercise of the powers granted in this Section.

Our Trustee may not use any trust property for the benefit of the deceased Trustmaker's estate as defined in Code of Federal Regulations Title 26 Section 20.2042-1(b), unless the property is included in the deceased Trustmaker's gross estate for federal estate tax purposes.

Section 16.16 Qualified Family-Owned Business Interests Deduction

Our Independent Trustee has the power to amend the terms of a trust holding *qualified family-owned business interests* as defined in Internal Revenue Code Section 2057 in order to permit trust property to qualify for the *family-owned business deduction*, even if the amendment changes beneficial interests and that directs the segregation of trust property into more than one trust.

Section 16.17 Qualified Real Property Valuation

Our Independent Trustee has the power to amend the terms of a trust holding *qualified real property* as defined in Internal Revenue Code Section 2032A, in order to permit the qualified real property to qualify for special use valuation permitted under Section 2032A, even if the amendment changes beneficial interests and that directs the segregation of trust property into more than one trust.

Section 16.18 Qualified Tuition Programs

Our Trustee may purchase tuition credits or certificates or make contributions to an account in one or more qualified tuition programs as defined under Internal Revenue Code Section 529 on a beneficiary's behalf for the purpose of meeting the beneficiary's qualified higher education expenses. With respect to an interest in any qualified tuition program, our Trustee may act as contributor, administering the interest by actions including:

- designating and changing the designated beneficiary of the interest in the qualified tuition program;
- requesting both qualified and nonqualified withdrawals;
- selecting among investment options and reallocating funds among different investment options;
- making rollovers to another qualified tuition program; and
- allocating any tax benefits or penalties to the beneficiaries of the trust.

Notwithstanding anything in this provision to the contrary, the designated beneficiary must always be a beneficiary of the trust from which the funds were distributed to establish the interest in the qualified tuition program. Investment in a qualified tuition program will not be considered a delegation of investment responsibility under any applicable statute or other law.

Section 16.19 Real Estate Powers

Our Trustee may sell at public or private sale, convey, purchase, exchange, lease for any period, mortgage, manage, alter, improve, and in general deal in and with real property in the manner and on the terms and conditions as our Trustee deems appropriate.

Our Trustee may grant or release easements in or over, subdivide, partition, develop, raze improvements to, and abandon any real property.

Our Trustee may manage real estate in any manner considered best, and may exercise all other real estate powers necessary to effect this purpose.

Our Trustee may enter into contracts to sell real estate. Our Trustee may enter into leases and grant options to lease trust property, even though the term of the agreement extends beyond the termination of any trusts established under this trust and beyond the period that is required for an interest created under this trust to vest in order to be valid under the rule against perpetuities. Our Trustee may enter into any contracts, covenants, and warranty agreements that our Trustee deems appropriate.

Section 16.20 Residences and Tangible Personal Property

Our Trustee may acquire, maintain, and invest in any residence for the beneficiaries' use and benefit, whether or not the residence is income producing and without regard to the proportion that the residence's value may bear to the trust property's total value, even if retaining the residence involves financial risks that Trustees would not ordinarily incur. Our Trustee may pay or make arrangements for others to pay all carrying costs of any residence for the beneficiaries' use and benefit, including taxes, assessments, insurance, maintenance, and other related expenses.

Our Trustee may acquire, maintain, and invest in articles of tangible personal property, whether or not the property produces income. Our Trustee may pay for the repair and maintenance of the property.

Our Trustee is not required to convert the property referred to in this Section to income-producing property, except as required by other provisions of this trust.

Our Trustee may permit any Income Beneficiary of the trust to occupy any real property or use any personal property owned by the trust on terms or arrangements that our Trustee determines, including rent free or in consideration for the payment of taxes, insurance, maintenance, repairs, or other charges.

Our Trustee is not liable for any depreciation or loss resulting from any decision to retain or acquire any property as authorized by this Section.

Section 16.21 Retention and Abandonment of Trust Property

Our Trustee may retain any property constituting the trust at the time of its creation, at the time of the death of a Trustmaker, or as the result of the exercise of a stock option, without liability for depreciation or loss resulting from retention. Our Trustee may retain property, notwithstanding the fact that the property may not be of the character prescribed by law for the investment of assets held by a fiduciary, and notwithstanding the fact that retention may result in inadequate diversification under any applicable Prudent Investor Act or other applicable law.

Our Trustee may hold property that is not income producing or is otherwise nonproductive if holding the property is in the best interests of the beneficiaries in the sole and absolute discretion of our Trustee. On the other hand, our Trustee will invest contributions of cash and cash equivalents as soon as reasonably practicable after the assets have been acquired by the trust.

Our Trustee may retain a reasonable amount in cash or money market accounts to pay anticipated expenses and other costs, and to provide for anticipated distributions to or for the benefit of a beneficiary.

Our Trustee may abandon any property that our Trustee considers of insignificant value.

Section 16.22 Securities and Brokerage Powers

Our Trustee may buy, sell, trade, and otherwise deal in stocks, bonds, investment companies, mutual funds, common trust funds, commodities, options, and other securities of any kind and in any amount, including short sales.

Our Trustee may place all or any part of the securities held by the trust in the custody of a bank or trust company. Our Trustee may have all securities registered in the name of the bank or trust company or in the name of the bank's nominee or trust company's nominee. Our Trustee may appoint the bank or trust company as the agent or attorney in fact to collect, receive, receipt for, and disburse any income, and generally to perform the duties and services incident to a custodian of accounts.

Our Trustee may employ a broker-dealer as a custodian for securities held by the trust, and may register the securities in the name of the broker-dealer or in the name of a nominee; words indicating that the securities are held in a fiduciary capacity are optional. Our Trustee may hold securities in bearer or uncertificated form, and may use a central depository, clearing agency, or book-entry system, such as The Depository Trust Company, Euroclear, or the Federal Reserve Bank of New York.

Our Trustee may participate in any reorganization, recapitalization, merger, or similar transaction. Our Trustee may exercise or sell conversion or subscription rights for securities of all kinds and descriptions. Our Trustee may give proxies or powers of attorney that may be discretionary and with or without powers of substitution, and may vote or refrain from voting on any matter.

Section 16.23 Settlement Powers

Our Trustee may settle any claims and demands in favor of or against the trust by compromise, adjustment, arbitration, or other means. Our Trustee may release or abandon any claim in favor of the trust.

Section 16.24 Subchapter S Corporation Stock Provisions

During any period the trust is not treated as a grantor trust for tax purposes under Internal Revenue Code Section 671, this trust or any trust created under this trust may hold any S corporation stock held as a separate *Electing Small Business Trust*, or as a separate *Qualified Subchapter S Trust*, as provided in this Section.

For purposes of this Section, *S corporation stock* means all capital stock issued by a corporation (or other entity taxable as a corporation for federal income tax purposes) that is treated or is intended to be treated under Section 1361(a) as an *S corporation* for federal income tax purposes.

(a) Electing Treatment as an Electing Small Business Trust

If our Trustee elects under Internal Revenue Code Section 1361(e)(3) to qualify any portion of the trust as an *Electing Small Business Trust*, our Trustee shall:

apportion a reasonable share of the unallocated expenses of all trusts created under this trust to the Electing Small Business Trust under the applicable provisions of the Internal Revenue Code and Treasury Regulations; and

administer the trust as an Electing Small Business Trust, under Internal Revenue Code Section 1361(e).

(b) Electing Treatment as a Qualified Subchapter S Trust

If the current Income Beneficiary of the trust makes an election under Section 1361(d)(2) to qualify the trust as a Qualified Subchapter S Trust within the meaning of Section 1361(d)(3), our Trustee shall:

refer to the Qualified Subchapter S Trust using the same name as the trust to which the stock was originally allocated, plus the name of the current Income Beneficiary of the trust, followed by the letters QSST;

administer the Qualified Subchapter S Trust in accordance with the same provisions contained in the trust to which the Trustee allocated the S corporation stock, as long as the provisions of this Subsection control the trust administration to the extent that they are inconsistent with the provisions of the original trust; and

maintain the Qualified Subchapter S Trust as a separate trust held for the benefit of only one beneficiary as required in Section 1361(d)(3).

RECEIVED
BLMAZ STATE OFFICE
2019 AUG 19 A 10:38

Our Trustee shall recommend that the current Income Beneficiary of the trust make a timely election to cause federal tax treatment of the trust as a Qualified Subchapter S Trust.

(1) Current Income Beneficiary

The *current Income Beneficiary* of a Qualified Subchapter S Trust is the person who has a present right to receive income distributions from the trust to which the Trustee has allocated the S corporation stock. A Qualified Subchapter S Trust may have only one current Income Beneficiary.

If, under the terms of the trust, more than one person has a present right to receive income distributions from the trust originally holding the S corporation stock, our Trustee shall segregate the S corporation stock into separate Qualified Subchapter S Trusts for each of these people.

(2) Distributions

Until the earlier of the death of the current Income Beneficiary or the date on which the trust no longer holds any S corporation stock (the *QSST termination date*), our Trustee shall distribute at least annually all of the trust's *net income*, as defined in Internal Revenue Code Section 643(b) to the current Income Beneficiary.

The terms of the trust to which the S corporation stock was originally allocated govern distributions of principal from the Qualified Subchapter S Trust. But until the QSST termination date, our Trustee may distribute principal only to the current Income Beneficiary of the Qualified Subchapter S Trust and not to any other person or entity.

If the Qualified Subchapter S Trust terminates during the lifetime of the current Income Beneficiary, our Trustee shall distribute all assets of the Qualified Subchapter S Trust to the current Income Beneficiary outright and free of the trust.

(3) Allocation of Income and Expenses

Our Trustee shall characterize receipts and expenses of any Qualified Subchapter S Trust in a manner consistent with Internal Revenue Code Section 643(b).

(4) Trust Merger or Consolidation

Notwithstanding any other provision of this trust that may seem to the contrary, our Trustee may not merge any Qualified Subchapter S Trust with another trust's assets if doing so would jeopardize the qualification of either trust as a Qualified Subchapter S Trust.

(b) No Distributions in Discharge of Certain Legal Obligations

Our Trustee may not exercise or participate in the exercise of discretion with respect to the distribution of income or principal that would in any manner discharge a legal obligation of our Trustee, including the obligation of support.

If a beneficiary or any other person has the power to remove a Trustee, that Trustee may not exercise or participate in the exercise of discretion with respect to the distribution of income or principal that would in any manner discharge a legal obligation of the person having the power to remove the Trustee, including that person's obligation of support.

(c) Insurance Policy on the Life of Our Trustee

If the trust holds a policy that insures the life of a Trustee, that Trustee may not exercise any powers or rights with respect to the policy. Instead, a Co-Trustee or an Independent Special Trustee must exercise the powers and rights with respect to the policy.

If any rule of law or court decision construes the ability of the insured Trustee to name an Independent Special Trustee as an incident of ownership of the policy, then a majority of the then current Income Beneficiaries (excluding the insured Trustee if he or she is a beneficiary) will select the Independent Special Trustee.

(d) Insurance Policy on a Beneficiary's Life

If the trust holds a policy that insures a beneficiary's life, the beneficiary, individually or as Trustee, may not exercise any power over the policy, its cash value, or its proceeds. This denial of power is intended to prevent an insured beneficiary from holding any power that would constitute an incident of ownership of the policy.

In addition, no distribution of income or principal to the insured beneficiary may be satisfied out of the policy's proceeds, cash value, or other economic benefit of the policy.

The limitations of this Subsection do not apply if, upon the beneficiary's death, the policy's proceeds would otherwise be included in the beneficiary's gross estate for federal estate tax purposes.
