### Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

The claim is an excess length. A placer claim with two owners cannot exceed 1320 feet in length. Your claim is 2640 feet in length. You must reduce the length of your claim from 2640 feet to 1320 feet. You may not take in new ground through an amendment.

When amending a claim, you cannot take in any new ground. Amending the claim may result in a claim that contains significantly less acreage than was originally located. If you wish to retain the same acreage, you may want to relocate the claim(s) correctly, rather than amend the incorrectly located claim(s).

You must file an amendment for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. We must receive the amendments within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.

Sincerely,

*Michael J Werner*

### Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

The claim is an excess length. A placer claim with two owners cannot exceed 1320 feet in length. Your claim is 2640 feet in length. You must reduce the length of your claim from 2640 feet to 1320 feet. You may not take in new ground through an amendment.

When amending a claim, you cannot take in any new ground. Amending the claim may result in a claim that contains significantly less acreage than was originally located. If you wish to retain the same acreage, you may want to relocate the claim(s) correctly, rather than amend the incorrectly located claim(s).

You must file an amendment for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. We must receive the amendments within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.

Sincerely,
