Re:3800 (9310)PB

I received a notice informing me to file an amendment to the Mining Claim Notices filed on my behalf by Glen Billeter.

It is my understanding that you are requesting form MCF102 to be re-submitted for each claim and that the LOCATOR line should be Glen Billeter's signature, is that correct? As well, do the claimant names still need to listed on each form?

Thanks,
Jill Clapp

Sent from Windows Mail

Good Morning Jill Clapp,

The above message was forwarded to my in-box on Friday; I was out of the office on Friday 9/25/2015.

I am the one that sent you the Notice, my name and phone number was included as the point of contact.

To answer your questions, an amendment must be filed for each of the 5 listed claims, BIG NUGGET 1-5 (AMC430526 thru AMC430530). The cost is \$10 each.

Since Glen Billeter is the person (Agent) appointed by POA for each of the mining claimants listed, Mr. Glen Billeter's signature should appear on all five (5) mining claim forms.

Please Note: At the time of filing, when there are additional mining claimants to list, a list of all the additional claimants along with each individual's address is required. Everyone should sign the mining claim forms before they are submitted. If no one signs but only prints the claimant's names on the signature line then we have to send a certified letter {to each of the owners listed} to ask that they file an amendment to sign the location notice's.
