Ms. ReAnn Myers,

The corrective amendments to the Tombstone Exploration Corporation mining claim notices affecting Star#1 –Star #4 claims are included.

AMC #'s affected by these amendments include:
AMC433664 – AMC433667 STAR#1 – STAR#4

The corrections & significant changes are found in **bold** on these amendments do not change the originally staked monument positions. No monument positions were moved in the field. This corrective action was taken to address multiple descriptive blunders in the original tie descriptions (**4100ft West** instead of 1280') common to all four claims, as well as correcting the three specific issues of concern in the original letter to Tombstone Exploration Corp.

Sincerely,

Mr. Alan Brown
