Mining Claim Location Notices – Corrections Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recordation of mining claims. In accordance with 43 CFR 3832.11 and 3832.12, the claim(s) listed above are not properly located. Because they are not properly located we cannot record them as filed. They must be corrected as noted below or they will be declared null and void.

1. AMC433818 and AMC433819 are submitted on lode claim forms, but have placer dimensions and have placer checked on the second (map) page of the location notice. Clarify what type of claims these are by indicating the same information (i.e., lode or placer) on both the first page and the second page of the location notice.
2. There is no signature on the location notices for AMC433820 thru AMC433825. At least one locator or an agent must sign the location notice per ARS 11-480.

You must provide the requested information for each claim listed above to correct the defects. Please do this by providing a copy of your location notice with the appropriate corrections, and note at the top of the form that it is a "Corrected Copy of Location Notice". If it is only the map that is missing or needs to be corrected, please provide the map. If the information is not received within the 30-day timeframe, the mining claims will be declared null and void ab initio.

Mining Claim(s) Declared Forfeited

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recording mining claims. The claim(s) listed above is/are hereby declared forfeited for the reason indicated below.

You appear to have filed duplicate claims. AMC433826 appears to be a copy of AMC433818 and AMC433827 appears to be a copy of AMC433819. Therefore, AMC433826 and AMC433827 are being declared null and void.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on land encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the

regulations in 43 CFR 3715.5-1, the BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs the BLM incurs in removing and disposing of the property.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.
