## ADDITIONAL INFORMATION REQUIRED

According to Bureau of Land Management (BLM) records, the land on which you located your mining claim was withdrawn under Secretarial Order dated March 27, 1943, for the Hassayampa Project. Document No. 195, Order Providing for the Opening of Public Lands to Mineral Location, Entry and Patent of Lands Withdrawn for Reclamation Purposes, dated November 21, 1958, opened the land, subject to stipulations, to Mineral Location, Entry, and Patent.

Therefore, in order to hold this mining claim you must agree to abide by the stipulations as set forth in the Order. Please read the enclosed Order and the stipulations. If you agree to abide by the stipulations, you **must** have your signature notarized on the enclosed Statement of Agreement and return it to BLM within 30 days from the date you received this Decision. You must also file the signed and notarized Statement of Agreement with the county in which the claim is located. If we do not receive the signed and notarized Statement of Agreement within the 30 day timeframe your claim will be forfeited and void.

Please include your AMC serial number on all correspondence. If additional information is required, contact RéAnn Myers at 602-417-9413.

### ADDITIONAL INFORMATION REQUIRED

According to Bureau of Land Management (BLM) records, the land on which you located your mining claim was withdrawn under Secretarial Order dated March 27, 1943, for the Hassayampa Project. Document No. 195, Order Providing for the Opening of Public Lands to Mineral Location, Entry and Patent of Lands Withdrawn for Reclamation Purposes, dated November 21, 1958, opened the land, subject to stipulations, to Mineral Location, Entry, and Patent.

Therefore, in order to hold this mining claim you must agree to abide by the stipulations as set forth in the Order. Please read the enclosed Order and the stipulations. If you agree to abide by the stipulations, you **must** have your signature notarized on the enclosed Statement of Agreement and return it to BLM within 30 days from the date you received this Decision. You must also file the signed and notarized Statement of Agreement with the county in which the claim is located. If we do not receive the signed and notarized Statement of Agreement within the 30 day timeframe your claim will be forfeited and void.

Please include your AMC serial number on all correspondence. If additional information is required, contact RéAnn Myers at 602-417-9413.

The area described totals 1,014.67 acres.

Disposition of the lands described herein shall be subject to the following stipulations:

In carrying out the mining and milling operations contemplated hereunder, locator will, by means of substantial dikes or other adequate structures, confine all tailings, debris, and harmful chemicals in such a manner that the same shall not be carried into the Hoosiyampa River by storm waters or otherwise.

There is reserved to the United States, its agents and employees, at all times, free ingress to, passage over, and egress from all of the above described lands for the purpose of inspection; there is further reserved to the United States, its successors and assigns the prior right to use any of the lands hereinabove described, to construct, operate, and maintain canals, dikes, waterways, ditches, dams, reservoirs, telephones and telegraph lines, electric transmission lines, roads and appurtenant works, including the right to take and remove from the lands hereinabove described such construction materials as may be required in the construction of irrigation works, without any payment made by the United States, or its successors for such rights.

The locator further agrees that the United States, its officers, agents, and employees and its successors or assigns, shall

and be held liable for any damage to the improvements or workings  
of the lands resulting from the construction, operation and  
maintenance of any works of the United States and/or the removal  
of construction materials from the lands heretofore described.

Requests concerning these lands shall be addressed to the  
Manager, Land Office, Bureau of Land Management, P.O. Box 146,

Disposition of the lands described herein shall be subject to the following stipulations:

In carrying out the mining and milling operations contemplated hereunder, locator will, by means of substantial dikes or other adequate structures, confine all tailings, debris, and harmful chemicals in such a manner that the same shall not be carried into the Haseeyampa River by storm waters or otherwise.

There is reserved to the United States, its agents and employees, at all times, free ingress to, passage over, and egress from all of the above described lands for the purpose of inspection; there is further reserved to the United States, its successors and assigns the prior right to use any of the lands hereinabove described, to construct, operate, and maintain canals, dikes, waterways, ditches, dams, reservoirs, telephone and telegraph lines, electric transmission lines, roadways and appurtenant works, including the right to take and remove from the lands hereinabove described such construction materials as may be required in the construction of irrigation works, without any payment made by the United States, or its successor for such rights.

The locator further agrees that the United States, its officers, agents, and employees and its successors or assigns, shall

not be held liable for any damage to the improvements or workings  
of the luster resulting from the construction, operation and  
maintenance of any works of the United States and/or the removal  
of construction materials from the lands hereinabove described.

Inquiries concerning these lands shall be addressed to the  
Manager, Land Office, Bureau of Land Management, P.O. Box 148,  
Phoenix, Arizona.
