Amendment(s) Not Processed

An amendment for the claim(s) listed above was received by the Bureau of Land Management (BLM) Arizona State Office. The amendment(s) cannot be processed for the following reason:

It appears the amendment filed June 2, 2016, moves the mining claim 300 feet to the west of the original location. A mining claim may not be amended to physically move the claim stakes on the ground. If you are amending the claim to depict its true position on the ground at the time of initial location, then you must file a statement that the claim stakes are in the same position as the day the claim was located.

If appropriate, please submit a corrected amendment or additional fees, within 30 days of your receipt of this notice. If the required information is not received with the 30-day timeframe, the amendment(s) will not be processed and the BLM will retain the non-refundable processing fees submitted.

If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC serial number(s) on all correspondence.

AUTHORITY: 30 U.S.C. 28f and 43 CFR part 3835 permit collection of the information requested by this form.

PRINCIPAL PURPOSE: The BLM will use the information you provide to verify that the owner(s) (claimants(s)) of a mining claim has/have complied with 30 U.S.C. 28f and 43 CFR part 3835 and is/are entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.
