MINING CLAIMS DECLARED FORFEIT

The mining claims listed above have been declared forfeit as of September 1, 2016, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeit.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if you fail to

reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Rod Ebert at 602-417-9397.

ADDITIONAL INFORMATION REQUIRED

According to Bureau of Land Management (BLM) records, the land on which you located your mining claim was withdrawn under Secretarial Order dated March 27, 1943, for the Hassayampa Project. Document No. 14, Restoration to Mineral Location, Entry and Patent of Lands Withdrawn for Reclamation Purposes, dated November 12, 1954, opened the land, subject to stipulations, to Mineral Location, Entry, and Patent.

Therefore, in order to hold this mining claim you must agree to abide by the stipulations as set forth in the Order. Please read the enclosed Order and the stipulations. If you agree to abide by the stipulations, you **must** have your signature notarized on the enclosed Statement of Agreement and return it to the BLM within 30 days from the date you received this Decision. You must also file the signed and notarized Statement of Agreement with the county in which the claim is located. If we do not receive the signed and notarized Statement of Agreement within the 30 day timeframe your claim will be forfeited and void.

For a period of thirty days from the date of publication of this notice, persons having cause to object to the proposed withdrawal may present their objections in writing to the State Supervisor, Bureau of Land Management, Department of the Interior at Billings, Montana. In case any objection is filed and the nature of the opposition is such as to warrant it, a public hearing will be held at a convenient time and place, which will be announced, where opponents to the order may state their views and where proponents of the order can explain its purpose.

The determination of the Secretary on the application will be published in the FEDERAL REGISTER, either in the form of a public land order or in the form of a notice of determination if the application is rejected. In either case, a separate notice will be sent to each interested party of record.

The lands involved in the application are:
