5./ Since this year any deeds we sent, we did NOT receive any stamped copy back, we would like to ask for them to be sent, if it is possible.

AMC 405327 Boot Jack Gold

Dear ReAnn Myers,

You notified us that the way we hold the Boot Jack Gold mining claim with AMC number 405327 is not the correct way to do so. We are ready to comply with the law and hope to present you here with the correct documents/ modifications.

1./ Here I attach the 2 Location notices for placer mining claims, based on how you advised us: one plain form and one Amendment.

2./In the matter of name change: Originally this claim was under Almaglobe Group Inc. (that had to be closed (pls see attached) on Dec 21, 2015 and on the same day Jade Success Holdings Inc was opened (Pls see attached) (because of identity theft started by someone and we could catch it in time ). Every asset this company had was automatically owned by the new, successor company as it was decided by the company and was recorded in the minutes (pls see attached) of the meeting related to it. Please records the name change.

At the same time we had to make changes on the Canadian side as well: Shiodema Inc (Which owned this company originally) was closed (pls see attached)and Almaglobe Group Inc (Canada) was opened at the same time(pls see attached)>

3./Check contains the following amounts in details:

-name change	\$10.00
-Location notice for placer mining claim	\$210.00
-Location notices for placer mining claim- amendment	<u>\$10.00</u>
Summary	\$230.00

4./We have one more case when we have to change the name, but that will be prepared through a different document and handed in somewhat later.
