## MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited as of September 1, 2017, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeited.

## Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer,

the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

### Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

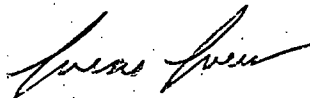

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Pauline Brown at 602-417-9360.

Hi Amy

The following payments received through the portal need refunds:

\* **Receipt #3646103 - \$2,325 - AMC438240.** The payment recorded for the 2017 maintenance fee payment was made under receipt #3646104 so please be sure the refund is done on #3646103 even though it is an earlier receipt than the other.

**Receipt #3646145 - \$155- AMC302480.** There's more money on the receipt that needs to be applied to other claims so please make sure the refund is only for \$155. I will add the AC 782 for the other cases so if you want to wait until tomorrow to process the refund, that's fine.

Somehow it the send button while I was on the phone!!

Receipt #3646171 - \$155 - AMC429435. It looks like a payment may have been paid at the office and then another through the pay portal. Please be sure to refund this receipt # since the other payment has already been entered in LR2000.

Thank you!

I'm so ready for this day to be over!!!!

So, I happened to look at receipt #3646171 wondering why someone would pay in the office and through the portal. The payments were made by different people. The one recorded under the other receipt # was made by the claimant...the one through the portal was made by an Aaron Morris and he has another claim - AMC429617 - Gene's Gold. He already made his payment on that one, so I'm not sure why he paid for the other claim also. Anyway, there might be a little mystery that you have to investigate, I'm not sure.

Sorry...just too many strange things today!
