) Motion to Remand Granted;
) Appeal Dismissed

ORDER

Appellants filed an appeal from a January 29, 2018, decision of the Bureau of Land Management's (BLM) Arizona State Office, in which BLM declared their Gold Nugget #3 mining claim (AMC438325) forfeited for failure to file the affidavit of performance of annual work (Affidavit) for the 2017 assessment year on or before December 30, 2017, along with a \$10 processing fee.

BLM moves to remand this matter. BLM states that in reviewing the receipt and copy of the Affidavit, it discovered that the Affidavit was processed incorrectly on December 15, 2017. BLM requests the remand so that further action to vacate its decision may proceed.

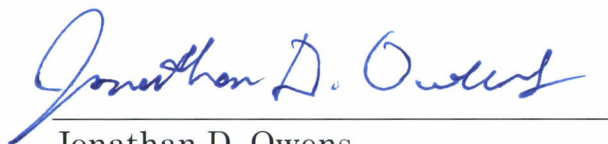

Based on the representations made in BLM's motion to remand, we grant the motion. Accordingly, pursuant to the authority delegated to the Board of Land Appeals by the Secretary of the Interior,¹ we remand this matter and remove the appeal from our docket.

ORDER

Appellants filed an appeal from a January 29, 2018, decision of the Bureau of Land Management's (BLM) Arizona State Office, in which BLM declared their Gold Nugget #3 mining claim (AMC438325) forfeited for failure to file the affidavit of performance of annual work (Affidavit) for the 2017 assessment year on or before December 30, 2017, along with a \$10 processing fee.

BLM moves to remand this matter. BLM states that in reviewing the receipt and copy of the Affidavit, it discovered that the Affidavit was processed incorrectly on December 15, 2017. BLM requests the remand so that further action to vacate its decision may proceed.

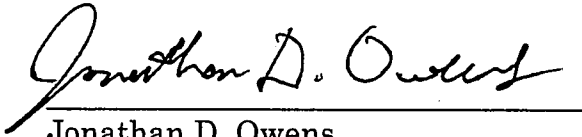

Based on the representations made in BLM's motion to remand, we grant the motion. Accordingly, pursuant to the authority delegated to the Board of Land Appeals by the Secretary of the Interior,¹ we remand this matter and remove the appeal from our docket.

Memorandum

To: Board of Land Appeals, Office of the Secretary

From: Lucas Lucero *Lucas Lucero*
Deputy State Director, Lands, Minerals and Energy Division

Subject: Request for Remand of Appeal from Larry C. Selberg et al

On January 29, 2018, a decision letter was sent to Larry C. Selberg, Billy Coulter, Daniel Gentry, Anthony L. Curry, Eugene Lensing and Carol Rucker, declaring AMC438325 (Gold Nugget #3) forfeited as of December 30, 2017, for failure to timely file the required affidavit of labor for the 2017 assessment year.

In reviewing the receipt and attached copy of the Affidavit of Performance of Annual Work form (POL), it was discovered that the POL document was processed incorrectly on December 15, 2017.

BLM respectfully requests that IBLA remand the case back to BLM, so that further action to vacate the decision letter of January 29, 2018, can proceed.

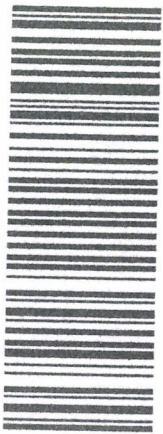

If any additional information is required, please contact Pauline Brown at 602-417-9360.

-NOTICE OF APPEAL-

Dear Sirs:

As the appellants' to this matter we are filing this "Notice of Appeal" to your decision letter dated January 29, 2018 which states that the above cited mining claim is "declared forfeited". Your letter states that, "...an affidavit of labor for the 2017 assessment year must have been filed on or before December 30, 2017, along with a \$10 processing fee per claim." "Failure to timely file this affidavit and fee constitutes a forfeiture of the claims (43 CFR 3835.91)."

Reason for appeal:

Your decision of the mining claim forfeiture is in error, wherein, your file for this mining claim is apparently lacking in proper content, pursuant to the "2017 affidavit of performance of annual work" (form MCF108).

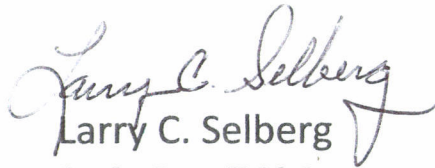

Arguments:

- 1) Said affidavit of labor for the 2017 assessment year was, in fact, properly filed in a timely manner, on December 5, 2017. (Reference the affidavit copy attached).
- 2) This affidavit filing was made on December 5, 2017 at the Bureau of Land Management, Arizona State Office, One North Central Ave., Suite 800, Phoenix Arizona with your agent Ms. Tina Coladonato.
- 3) The proper fee of \$10 was in fact paid and collected by said agent on December 5, 2017. Please reference the attached BLM receipt that your agent Tina Coladonato provided upon payment for filing the affidavit of labor (receipt #4035021).
- 4) Your agent provided us with an exact copy of our filing of the affidavit in question on December 5, 2017. Clearly your date stamp indicates a timely filing on December 5, 2017 when received in the proper BLM office. Moreover, the BLM date stamp of December 5, 2017 appears twice on this affidavit of labor on both front and back. (Reference the affidavit copy attached).
- 5) It is noted that the affidavit in question was also filed with Yavapai County on November 17, 2017, as evidenced by their county stamp. (Reference the affidavit copy attached).
- 6) Clearly the abundance of evidence cited in this appeal proves not only our sincere intent to abide by all rules; regulations; and timely filings; but in fact proves that we did properly and timely file the affidavit of labor document in question. For, *whatever reason*, your BLM file is apparently missing our affidavit that was properly and timely filed. (Again reference the attached copy of our affidavit of labor and the fee receipt that was filed on December 5, 2017.)

Therefore, we respectfully request that you reverse your decision of our "claim forfeiture" and hold us harmless, and thereby restore the active status of our mining claim AMC438325.

MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited as of December 30, 2017, for failure to timely file the required affidavit of labor for the 2017 assessment year.

A small miner's maintenance fee waiver certification was filed for these claims for the 2017 assessment year, which began on September 1, 2016, and ended September 1, 2017. Therefore, pursuant to regulations found at 43 CFR 3835.16 and 3835.31, an affidavit of labor for the 2017 assessment year must have been filed on or before December 30, 2017, along with a \$10 processing fee per claim. Failure to timely file this affidavit and fee constitutes a forfeiture of the claims (43 CFR 3835.91).

Reclamation Requirements

You are required to reclaim all areas disturbed by your activities on lands encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please contact Pauline Brown at 602-417-9360.

See 43 CFR 3809.605(h) and 43 CFR 3809.700.

MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited as of December 30, 2017, for failure to timely file the required affidavit of labor for the 2017 assessment year.

A small miner's maintenance fee waiver certification was filed for these claims for the 2017 assessment year, which began on September 1, 2016, and ended September 1, 2017. Therefore, pursuant to regulations found at 43 CFR 3835.16 and 3835.31, an affidavit of labor for the 2017 assessment year must have been filed on or before December 30, 2017, along with a \$10 processing fee per claim. Failure to timely file this affidavit and fee constitutes a forfeiture of the claims (43 CFR 3835.91).

Reclamation Requirements

You are required to reclaim all areas disturbed by your activities on lands encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

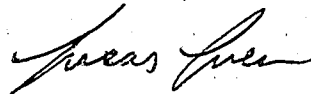

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Hello, Bill.

I looked at the AMC#s that you gave me (AMC420279, AMC425547, AMC425555 & AMC438325).

The first 3 are all described as in 8N 5W, Section 1. AMC438325 has a legal description of 8N 4W, Section 5.

The lands for those claims are open to mining.

I believe you told me that your claim is in LR2000 as 8N 5W, Section 1 but you know it is located in 9N 5W, sect 1. If that is the case, those lands are Stock Raising Homestead lands and must have a properly filed Notice of Intent to Locate Mining Claims (NOITL).

If you know your claim is in 9N 5W, sect 1, then it would be null and void and you should relinquish it and file a properly completed NOITL and upon acceptance, you would be able to locate claims with restrictions. Also, it would be helpful for you to research the CFR Part 3838 (Code of Federal Regulations Part 3838) before you go further.

You should call 602-417-6200 for general questions on the process, but you also have my number.

Sincerely,

Rod Ebert
Senior Land Law Examiner
