Sir,

If at any time you wish to update or change an address for an individual mining claimant, you must provide the claimants signature on the change of address request. And you must also provide the Bureau of Land Management with a listing of the mining claim AMC Numbers that will be affected.

Attached is the request that we received in our office on 8/15/17, you stated that there are 24 claims and yet you named 28 claims and listed 11 claimants; please have each individual sign the address update request and provide us a list of the mining claim *numbers* they each own (one list if they all own the same claims). Please call me if you have any questions or concerns.

Thank you kindly,
