Good Afternoon Brett,

I spoke to you this morning concerning several mining claims in Lead file # AMC438511.

In addition to providing an Amendment (at \$10 per claim), for AMC438518, 519, 522 and 555, you will also need to correct the legal land description (LLD), for AMC438511 thru 438519; the LLD's read Township 15, Range 09 West, Section 16, Quarter Section \_\_\_\_\_. You will notice that the Township information is missing NORTH (should read 15 North).

The claim acreage should read 20 acres in size on AMC438511 and 438512 (the notice reads: This claim is 40 acres in size.

If you have any questions, please feel free to call me.

Regards,
