Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

- The dimensions of a lode claim must be contained within a rectangle of 1,500 x 600 feet (20.66 acres). Your claim is an irregular shape that exceeds the allowable length. Therefore, you must amend your claim length to 1,500 feet, the width would remain 200 feet. If you amend your claim, be aware that you cannot take in new ground with an amendment.
- The claims are not described with a proper metes and bounds description. A proper metes and bounds description is required to accurately determine the location of the claims.
- An inadequate map was provided - you must clearly show on a map or sketch the boundaries of the claim. The map should clearly mark the boundaries of both the section and quarter section and should depict where within the quarter section the claim lies. The map should be accurate enough for BLM to identify the mining claims or sites on the ground. The map provided is too dark to read.

In accordance with 43 CFR 3832.12 a lode claim must be described by metes and bounds and include a tie to a permanent monument such as a section quarter corner monument. All claim descriptions must include state, meridian, township, range, section and by aliquot part to the quarter section.

AMENDMENT REV'D
6/22/2017. PM

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30-day timeframe the mining claims will be declared null and void.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.
