Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

There are discrepancies between the written legal land descriptions and the maps.

- AMC439640 written description states the location monument is 1,320 feet south of the 1912 federal marking pin. The map shows the location monument as 2,640 feet south of the 1912 federal marking pin.
- AMC439641 written description states the claim is in T. 4 N., R. 20 W., sec. 13, NW1/4. The map shows the claim in T. 4 N., R. 20 W., sec. 13, SW1/4.

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.

BeAnn,

I spoke with you yesterday and changed the location notices on the two claims. The maps were correct so I just photo copied the originals and added them to this mailing. Check for \$20 - enclosed also.

Thanks,

Brenda Miles
