WHISPER STONE #1

Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

You must be qualified to locate an association placer mining claim and your mining claim must conform to the requirements of Federal law, 30 U.S.C. 35, 36, and regulations at 43 CFR 3832.22. These laws allow the location of placer mining claims greater than 20 acres so long as each of the locators has a bona fide interest in the claims, and has located the claims independently, for their own self-interest, and in good faith. The law is well established that a person cannot use the names of his/her friends, relatives, or employees as locators in order to locate for his/her own benefit a greater area of placer ground than is allowable by law.

A company or corporation is considered to be one entity, entitled to locate claims of no more than 20 acres in a single claim. You cannot list as an additional locator on the same association placer claim anyone who has control in the corporation, is an officer or partner in the corporation, or is related to the corporation or its officers, in order to gain more acreage than is allowable by law for one entity. Each individual or entity must be independent of the other and locating for their own self-interest.

- Kenneth Brown, Danny Brown, Natures Showcase, and Western Hills Rocks and Gems, Inc. have the mailing address, 288 W. Center St, Kanab, Utah 84741.

- Western Hills Rocks and Gems, Inc., currently has four lode claims in which Ken Brown signed as agent under the title of Secretary for Western Hills Rocks and Gems, Inc. The receipt for AMC439642 lists the remitter as Natures Showcase, mailing address 288 W. Center St, Kanab, Utah 84741.
- Western Hills Rocks and Gems, Inc., is registered in the state of Utah and lists the Registered Agent as Kenneth Brown.

It is BLM's conclusion that the mining claims listed above were not located properly and contain excess acreage, in violation of 43 C.F.R. 3832.22. You are therefore required to amend these claims, reducing each claim to 20 acres, which is allowable by law for a corporation.

There is a \$10 BLM processing fee for each amendment. We must receive the amendments within 30 days of your receipt of this notice. If the amendments are not received within the 30-day timeframe the mining claims will be declared null and void.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.
