### Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below:

- The waiver document is missing claim owner names, addresses and signatures. Our records show that Charles S. Schermerhorn is the owner of the claims.
- Even if an agent is signing the waiver, the names and addresses of all claim owners are required to be listed on the waiver. Next to each name there must be a signature: either that of the owner, or an authorized agent.
- If an agent signs, they should identify themselves as signing on behalf of an owner, and a Power of Attorney must accompany the waiver document. The execution date on the Power of Attorney must be current within 5 years.

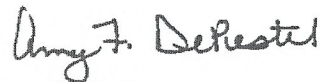

- If a person is signing on behalf of an association or company, they must indicate in what capacity they are signing for the association or company. Please indicate under the signature if the signor is the company president, vice president, etc.
- In the case of the death of a mining claim owner the following documents are required: 1) copy of the death certificate; 2) proof that whomever signs the waiver has authority to sign on behalf of the deceased claimant (this can be a copy of the will or a document from probate court declaring the executor of the will or personal representative of the deceased). 3) a transfer deed must be filed to transfer the claim(s) to the new owner(s); the cost is \$15 per claim per transferee.

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$165 per claim (\$165 per 20 acres for placer claims larger than 20 acres). If we do not receive the requested corrections or the maintenance fees within the 60 day time frame, the claim(s) will be declared forfeited and closed.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.
