Re: State Land, Section 2, Township 6 North, Range 4 East

Dear Mr. Trimble:

Per your request, the following information is provided regarding the referenced State land.

The State took title to 638.32 acres in Section 2 on November 24, 1914. In 1962, the State relinquished 3.45 acres back to the federal government as part of the Homestake mining claim, Mineral Survey No. 4334. The State currently owns the remaining acreages (634.87) in Section 2.

The State acreages are currently unleased and the Department records do not show any pending applications for lease, permit, or right of ways.

Enclosed is a map of Section 2, T6N, R4E which identifies the location of the Homestake Claim as it extends into Section 2.

Should you have any questions, please do not hesitate to contact me at (602) 542-4602.
