Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

In accordance with 43 CFR 3832.12 a lode claim must be described by metes and bounds and include a tie to a permanent monument such as a section quarter corner monument. All claim descriptions must include state, meridian, township, range, section and by aliquot part to the quarter section. However, because several Patents surround your Lode mining claims, you must identify the Lot numbers in which your Lode claims encompass. According to the survey details, there are only 3.23 acres of land available in Lot 11 and 4.77 acres of land available in Lot 12.

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.

Sir,

9/11/2017

The certified letter (copy enclosed) dated July 25, 2017, was returned to us "Unclaimed" on Friday, September 8, 2017. We allowed you 30 days to file Amendments on AMC440153 and AMC440154.

In your situation, when a mailing is sent to the current address on file and is returned unclaimed, we begin the 30-day count on the date that the letter was returned to us unclaimed. Therefore, from September 8, 2017, the 30-day period to file amendments ends on October 8, 2017.

Please submit your Amendments (\$10 each) as soon as possible if you wish to keep these two claims. If we do not receive adequate amendments by October 8, 2017, both claims will be forfeited and closed.

However, if you wish to relinquish both claims and start over with a proper metes and bounds description you may do so. I am including a copy of the relinquishment form that BLM has posted on the website. There is no fee to file a relinquishment.

The cost to file a 20-acre Lode claim is \$212. The size of an individual Lode claim is 1500' X 600'. If there are other claims or patents surrounding the area in which you wish to locate your mining claim, you must include in your filing a written statement that states that you are aware that there are several mining claims or patents surrounding the claim, and you take no interest in those areas already covered by current mining claims or patents, etc. In addition, if your claim lies within a Lot number, you have to identify the Lot number(s) on the mining claim location notice.

Please call if you have any questions,

Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

In accordance with 43 CFR 3832.12 a lode claim must be described by metes and bounds and include a tie to a permanent monument such as a section quarter corner monument. All claim descriptions must include state, meridian, township, range, section and by aliquot part to the quarter section. However, because several Patents surround your Lode mining claims, you must identify the Lot numbers in which your Lode claims encompass. According to the survey details, there are only 3.23 acres of land available in Lot 11 and 4.77 acres of land available in Lot 12.

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.

If additional information is required, please contact Pauline Brown at 602-417-9360. Please include your AMC serial number(s) on all correspondence.
