Additional Information Required

Your maintenance fee waiver certifications were filed with this office for the 2017 assessment year for the Gold Lucky (CAMC310147), Jack Henry Mine (CAMC310217), Indy Creek 13 (CAMC310583), Moquats (CAMC311171), Golden Star (CAMC311173), Gold Reward Placer (CAMC311285), Sinnamon Gold and Dunderburg Gold (CAMC311416-17), Mollie Gibson Mine (CAMC311765), and Apache Mesa (CAMC311770). On the waivers for the above-referenced mining claims, you attested that you “and all related parties owned ten or fewer mining claims, mill, or tunnel sites located and maintained on Federal lands in the United States of America on September 1, 2016.” This statement is in accordance with BLM’s regulations at 43 CFR 3835.1 (b) which states that in order to qualify for a small miner waiver **“all related parties must hold no more than a total of 10 mining claims or sites nationwide, not including oil shale claims; and all co-claimants must qualify for the small miner waiver.”** A “related party” is defined as **“(a) the spouse and dependent children of the claimant as defined in section 152 of the Internal Revenue Code of 1986; or (b) a person who controls, is controlled by, or is under common control with the claimant,”** pursuant to 43 CFR 3830.5.

It has come to our attention that Gerrald Underwood, Randy Underwood, Gerrald Underwood Sr. and Skippy Underwood may be related parties and may hold over 10 claims nationwide. In order to complete the processing of your waivers the following information is needed to verify whether you qualify for the waiver:

1. A signed statement from each claimant that provides the relationship between the other claimant(s). Please include your current mailing addresses in your statement.

2. A written certification stating that you understand and acknowledge that, pursuant to 43 USC 1212 and 18 USC 1001, the filing or recording of a false, fictitious, or fraudulent document with the Bureau of Land Management may result in a fine of up to \$250,000, a prison term not to exceed five years, or both.

You are hereby granted **30 days** from receipt of this decision to submit the required documentation. Failure to comply will result in your claims being forfeited by operation of law.

This decision affects those claims shown

AMC441162
BLACK SILVER MINE

MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeit as of September 1, 2017, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeit.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer,

the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

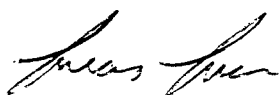

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Pauline Brown at 602-417-9360.
