Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below:

- The waiver document is missing claim owner names, addresses or signatures. Even if an agent is signing the waiver, the names and addresses of all claim owners are required to be listed on the waiver. Next to each name there must be a signature: either that of the owner, or an authorized agent.

- See the attached names and AMC #s for the missing signatures and POAs.

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$155 per claim (\$155 per 20 acres for placer claims larger than 20 acres).
