**RE: LP Associates, LLC Amended Mining Claims**

Dear Ms. Meyers:

This letter is sent on behalf of LP Associates, LLC ("LP Associates"), regarding amended location notices submitted to the Bureau of Land Management ("BLM") for certain unpatented placer mining claims situated in Section 19 and 30, Township 9 South, Range 11 East, G&SR Mer., Owl Head Mining District, Pinal County, Arizona (the "unpatented claims"). The purpose of this letter is to clarify why the amended location notices were submitted and to ensure that they are properly processed by the BLM.

An agent for LP Associates submitted amended location notices for the unpatented mining claims to the BLM on November 16, 2017. A list of the claims is included below.

Name of Claim	County Recorder Doc. Number	AMC No.	Location Date

LPA2-20 Amended	2017-083958 2017-032618	AMC 443763	4/26/2017

The amendments were submitted, pursuant to 43 C.F.R. § 3833.21(a)(2), in order to correct a typographical error in the original location notices for the unpatented claims. The original location notices incorrectly listed the locator as LPA Associates LLC rather than LP Associates, LLC, the entity that in fact staked the claims. Any reference to an LPA Associates LLC in the location notices was in error.

I understand that in attempt to remedy the error with the original location notices for the unpatented claims a quitclaim deed dated October 20, 2017, was submitted to the BLM purporting to convey the unpatented mining claims to LP Associates. However, LPA Associates, LLC is not associated with any member of LP Associates, was not intended as the locator of the unpatented claims, and does not appear to exist as an entity in Arizona. Therefore, it is unclear

what affect, if any, this quitclaim deed had in remedying the typographical error in the original location notices for the unpatented claims. As such, LP Associates submitted the amended location notices to properly amend the original location notices and ensure that LP Associates is reflected as the holder of the unpatented claims in the BLM records.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Paul M. Tilley
