Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below:

- (1) The waiver document is missing the mining claim owners name, address and signature. Our records show that Mine Data, LLC owns these mining claims.
- (2) Even if an agent is signing the waiver, the names and addresses of all claim owners are required to be listed on the waiver. Next to each name there must be a signature: either that of the owner, or an authorized agent.
- (3) If an agent signs, they should identify themselves as signing on behalf of an owner, and a Power of Attorney must accompany the waiver document. The execution date on the Power of Attorney must be current within 3 years.
- (4) If a person is signing on behalf of a company, they must indicate in what capacity they are signing for the company. Please clearly PRINT the name of the signor under the signature line, and include his/her title, if the signor is the company president, vice president, secretary, etc.

DD 12/18/17

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$155 per claim (\$155 per 20 acres for placer claims larger than 20 acres). If we do not receive the requested corrections or the maintenance fees within the 60 day time frame, the claim(s) will be declared forfeited and closed.

Please include your AMC serial number on all correspondence. If additional information is required, please contact Pauline Brown at 602-417-9360.
