### Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

Your location notice identifies the location of the discovery monument as it relates to a permanent monument, but does not provide a connection to any corner of the claim or the bearing of the claim from one corner to another.

In accordance with 43 CFR 3832.12 a lode claim must be described by metes and bounds and include a tie to a permanent monument such as a section quarter corner monument. All claim descriptions must include state, meridian, township, range, section and by aliquot part to the quarter section.

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30-day timeframe the mining claims will be declared null and void.

If additional information is required, please contact Brent Squires at 602-417-9397. Please include your AMC serial number(s) on all correspondence.

A handwritten signature in black ink, appearing to read "Lucas Lucero". The signature is fluid and cursive, with a prominent initial "L" and a long, sweeping underline.

Mr. Hibberd,

My name is Brent Squires. I work for BLM in the Arizona State office. I'm writing in regard to your claim (AMC 445649) Pajaro Azul.

We sent a letter requesting that you amend your location notice and you sent an exact copy of your original notice - this does not resolve the issues with your claim.

Please call me at 602-417-9397 or email at bsquires@blm.gov to discuss your claim. If I don't hear from you within the next week (by August 24th) then I'll need to notify you by letter of the decision to close your claim.

My office hours are 6:30 am to 3:30 pm. Feel free to call anytime during those hours. If I don't answer, please leave a message with your name, AMC #, and phone number so I can call you back.

Thanks!

### Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

Your location notice identifies the location of the discovery monument as it relates to a permanent monument, but does not provide a connection to any corner of the claim or the bearing of the claim from one corner to another.

In accordance with 43 CFR 3832.12 a lode claim must be described by metes and bounds and include a tie to a permanent monument such as a section quarter corner monument. All claim descriptions must include state, meridian, township, range, section and by aliquot part to the quarter section.

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30-day timeframe the mining claims will be declared null and void.
