GALENA

No Rights Acquired on Portions of Lode Claim(s)

Pursuant to Title 43 Code of Federal Regulations 3832.1, this office received your notice(s) of location for recordation of mining claims. However, portions of the lode mining claim(s) listed above appear to lie within lands that are not open to location for the following reason:

Your claim is partially located on land that is withdrawn and is therefore not open to location. Your claim is bisected by the Arizona National Scenic Trail, which was added to the National Trails System under Public Law 111-11 (March 30, 2009). Lands affected by Public Law 111-11 are governed by Public Law 88-577, "The Wilderness Act" (September 3, 1964). Lands under The Wilderness Act are withdrawn from mining.

Therefore, although the claim(s) has/have been recorded, you have acquired no rights on any portion of the subject mining claim(s) that lie within these lands. Enclosed for reference is a copy of the Master Title Plat.

If additional information is required, please contact Brent Squires at 602-417-9400. Please include your AMC serial number(s) on all correspondence.
