#### Dear people BLM

Attention Robert Mattson BLM Phoenix Arizona

Attached to this email is a corrected claim list whereas we on page 7 of our 11 page claim list had the wrong AMC number for 8 of our King claims starting with King 8 and ending with King 15.

We listed wrongly the number for King 8 as AMC357944 whereas the correct number is AMC358944 with the first three digits of 357 being wrong as they must be 358 to be correct with all other numbers being the same.

We made this same mistake on all 8 of our King claims King 8 through King 15.

We have corrected the AMC numbers of King 8 through King 15 on our attached list.

Please enter this correction into our main file for this claim group.

A big Thank You to the BLM personnel for your work to get our claims recorded as maintenance paid with a special Thank You for Robert Mattson for catching our mistake and his tireless work to get our file corrected properly for recording including great alert phone calls to me as the claim owner.

I am deeply appreciative of this help! Sincerely: Merrill Palmer
