Pursuant to BLM Letter dated 2/26/2020 which was sent and received by Certified mail return receipt received by me 3/3/2020, a copy of which herein is enclosed. A decision was vacated per the enclosed letter letter which has caused the 2019 Small miner waiver to be cancelled and full 2019 (\$155.00 per claim) fees to become due and paid within 30 days of receipt of this decision. Consequently, I am paying through the enclosed \$620.00 Cashier's check, these required fees. As a claim owner in the 2019 assessment year, I accumulated more than 10 claims and therefore no longer qualified for the small miner's waiver.

If you have any question regarding this please contact Elena Fink, or Pauline Brown at 602-417-9360.

receipt and payment of fees is requested in writing to the address above.

Sincerely yours,

David Wright

Decision Vacated
2019 Waiver Cancelled
2019 Maintenance Fees Due

The Decision dated February 5, 2020, declaring the above listed mining claims forfeited due to the failure to file the 2019 affidavit of labor is hereby vacated. The Maintenance Fee Waiver Certification (small miner waiver) filed for the 2019 assessment year for the four mining claims listed above is hereby cancelled. Because the waiver is cancelled, the requirement for the 2019 affidavit of labor is also cancelled. However, the 2019 maintenance fee for these four claims is due.

In accordance with 43 CFR 3835.1, to qualify for a small miner waiver you must hold no more than a total of ten mining claims or sites nationwide. Upon further investigation, we have obtained proof that since the commencement of the 2019 assessment year, the owner David Wright, has acquired (by transfer) and now owns a total of twenty mining claims nationwide, which means he no longer qualifies for the small miner waiver. This count includes one mining claim in California (CAMC311762), and fifteen additional mining claims he acquired in Arizona (see attached table).

Therefore, in accordance with 43 CFR 3835.20, and *Randi Rovetto, Et Al.*, 177 IBLA 257, the waiver is immediately cancelled and the 2019 Maintenance Fees of \$155 per claim per 20 acres or portion thereof, are due on the four mining claims listed above. In accordance with Title 43 Code of Federal Regulations (CFR) 3830.91(8) you are allowed 30-days from the date you receive this Decision to pay the 2019 maintenance fees. If we do not receive your payment of \$620 within the 30-day time frame, your four mining claims will be forfeited and closed.

When paying the fees please specify the 2019 assessment year is being paid so we can apply the fees accurately to the mining claims. Please also include an explanation as to why the fees for the 2019 assessment year that has already past is being paid for; e.g., the claim owner no longer qualified for a small miner waiver.

If additional information is required, please contact Pauline Brown at 602-417-9360. Please include your AMC serial numbers on all correspondence.
