### Mining Claim(s) Declared Null and Void In Part

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recordation of mining claims. The mining claim(s) listed above is/are hereby declared null and void in part.

Portions of the mining claim(s) listed above lie on land that is not open to location.

- Any portion of a mining claim on land subject to a pre-existing highway right-of-way granted per 23 U.S.C. § 317 (1988), the Federal Aid Highway Act, is null and void ab initio. Also, a placer mining claim may not contain noncontiguous tracts of land, 30 U.S.C. § 36 (1988). There is a highway right-of-way, granted under the Federal Aid Highway Act, AZAR 8188, dated September 18, 1955, which cuts through your claim. You must amend your claim so the right-of-way is not crossed and depict on a map that portion you wish to retain. You may file a separate location notice to include the lands relinquished.
- Your claim description and map do not match. The aliquot part description you provided describes a 40-acre claim. The length and width provided describe a 20-acre claim. The map appears to a 20-acre claim. A proper aliquot part description for a 20-acre claim is required to accurately plot your claim.

Therefore, those portions of the claims listed above that lie within the lands not open to location are hereby declared null and void. A copy of the Master Title Plat is enclosed for reference.

### Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) or 43 CFR 2804.1 for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact RéAnn Myers at 602-417-9413. Please include your AMC serial number(s) on all correspondence.
