### DECISION VACATED AMENDMENTS REQUIRED

The decision of August 17, 2018, declaring the above listed mining claims null and void ab initio due to land status, is hereby vacated.

Upon further investigation of the two mining claims, we find that the Legal Land Description (LLD) and Map do not match. The location notices indicate that the above listed mining claims are located in T. 11 N., R. 1 E., Section 25 (NWSE), Gila and Salt River Meridian, Arizona. However, the LLD written under the Maps indicate that the claims are located within T. 11 N., R. 2 E., Section 25 (NWSE), Gila and Salt River Meridian, Arizona, which is under Patent #968583 and therefore not open to location.

Our records have been updated to show the claims in a current active status. You must submit an amendment for both claims to correct the LLD information written below the maps. If additional information is required, please contact Pauline Brown at 602-417-9360. Please include your AMC serial number(s) on all correspondence.

### Mining Claim(s) Declared Null and Void

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recording mining claims. In accordance with 43 CFR 3833.91, the claim(s) listed above is/are hereby declared null and void ab initio for the reason indicated below. A copy of the Master Title Plat is enclosed for your convenience, if applicable.

The claims are located on land that is patented (Patent #968583, date 10/28/1925), and therefore not open to location. The Federal Government does not administer the surface or subsurface estate.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on land encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will

issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, the BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs the BLM incurs in removing and disposing of the property.

### Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

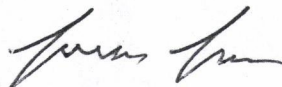

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact Pauline Brown at 602-417-9360. Please include your AMC serial number(s) on all correspondence.

Please submit a corrected Amendment for AMC451088, the one we received on August 31, 2018, has an error in the legal land description (LLD) on the front page.

I believe the LLD under the map was suppose to be corrected only, and the rest of the information was o.k. on the first filing.

If you have any questions, please call me asap. I tried to call several times this afternoon but no one answered the phone.

Regards,

The area described aggregates approximately 65,541 acres of public land. The Black Canyon Trails Area is a Class III natural environment area under the Bureau of Outdoor Recreation system of classification. The lands are withdrawn for stock driveway purposes by Order of the Secretary of the Interior dated February 4, 1919.

2. Subject to valid existing rights, the area will be administered primarily for stock driveway, riding and hiking trail purposes, and other forms of outdoor activities such as hunting, camping, and rockhounding.

3. The Bureau of Land Management may enter into cooperative arrangements with landowners and other interested agencies and groups to develop and keep current a management plan for all lands in the Trail Area which will accomplish the objectives of this designation.
