ReAnn:

We represent Croesus Gold Corp. and their wholly owned subsidiary, Croesus Gold USA Corp., in various legal matters.

I was reviewing the LR2000 database recently, and noted that there are two separate customer ID's for their unpatented claims situated in La Paz County. Please merge the two IDs into one so that all the claims have the same due process/notice address (i.e., merge ID 2434273 into ID 2400410, with the latter surviving, and all claims utilizing the 71 Elmer Toronto address). Attached is a customer information report for reference.

I have copied Marc Pais (President and Director) and Paul Reid (Director), who can confirm corporate authority if you so require.

Let me know if you have any questions or need anything else.

Marc
