Re: Henrietta Mine, LLC; Location Notices for four (4) Unpatented Lode Mining Claims; AZA-038032 and AZA-038033

Dear Sir or Madam:

We represent Henrietta Mine, LLC ("Henrietta") in certain legal matters. Pursuant to and in compliance with two (2) Notices of Intent to Locate Mining Claims serialized as AZA-038032 and AZA-038033, on April 28, 2020 Henrietta located four (4) unpatented lode mining claims on Stock Raising Homestead Act split-estate lands situated in the Big Bug Mining District in Sections 31 and 32, Township 13 North, Range 1 East, G&SRB&M, Yavapai County, Arizona. Attached at Tab A are four (4) original signature Location Notices for Lode Mining Claims and Mining Claim Maps (each a "Location Notice" and together, the "Location Notices") ordered in increasing claim name number sequence (i.e. HM-1 through HM-4).

We request that you (i) date stamp both pages of each Location Notice as received by BLM in the order as attached at Tab A (i.e., in increasing claim name number sequence), (ii) stamp both pages of each Location Notice with the Arizona Mining Claim serial number as assigned by BLM in the order as attached at Tab A (i.e., in increasing claim name number sequence); and (iii) return the Location Notices to me for subsequent recording in Yavapai County, Arizona records. Henrietta will provide BLM with copies of the Yavapai County recorded versions of the Location Notices in due course.

Also attached hereto is a check in the amount of \$900.00 for the required processing, location, and initial maintenance fees (i.e., 4 claims @ \$20/claim processing fee + \$40/claim location fee + \$165/claim initial maintenance fee).

Please do not hesitate to contact me by telephone at 602-916-5450 or by email at mmarra@fclaw.com if you have any questions.

Sincerely,

FENNEMORE CRAIG, P.C.

NOTICES

The Privacy Act and 43 CFR 2.223(d) require that you be furnished with the following information in connection with the information requested by this form.

AUTHORITY: 43 U.S.C. 299(b) and 43 CFR subpart 3814 and part 3838 permit collection of the information requested by this form.

PRINCIPAL PURPOSE: The BLM will use the information you provide to verify that you have complied with the pre-location requirements at 43 U.S.C. 299(b) and 43 CFR subpart 3814 and part 3838, and are therefore qualified to locate and record mining claims on land patented under the Stock Raising Homestead Act.

ROUTINE USES: The BLM will only disclose this information in accordance with the provisions at 43 CFR 2.231(b) and (c).

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of the requested information is required by 43 U.S.C. 299(b) and 43 CFR subpart 3814 and part 3838 for mining claimants who desire to locate a mining claim or tunnel site on land previously patented under the Stock Raising Homestead Act. Failure to comply and submit all the requested information or to complete this form will delay the BLM's processing of the claim or may preclude the BLM's acceptance of your notice of intent to locate (NOITL) a mining claim or site on lands patented under the Stock Raising Homestead Act. Mining claims or sites located under a void NOITL are null and void from the beginning and will be cancelled by the BLM.

The Paperwork Reduction Act requires us to tell you that:

The BLM collects this information to determine whether or not you are qualified to locate a lode or placer mining claim and a tunnel site on land patented under the Stock Raising Homestead Act.

Submission of the requested information is necessary to obtain or retain a benefit.

You do not have to respond to this or any other Federal agency-sponsored information collection unless it displays a currently valid OMB control number.
