Re: Recorded Versions of Location Notices for 2 Unpatented Millsite Mining Claims; Pinto Valley Mining Corp., PEAK 8-B and PEAK 34-B; Recorded in Gila County on July 13, 2020 as Fee #s 2020-007782 and 2020-007783

Dear Sir or Madam:

We represent Pinto Valley Mining Corp. ("Pinto Valley") in certain legal matters. On June 16, 2020, Pinto Valley filed with BLM the above referenced 2 original signature unpatented millsite mining claim location notices. Subsequent to the filing and assignment of serial numbers by BLM (as AMC460482 and AMC460483), Pinto Valley recorded the original signature unpatented millsite mining claim location notices in the county records (recorded on July 13, 2020 as Fee #s 2020-007782 and 2020-007783 in the Official Records of Gila County, Arizona). As a follow up and for the case file records, attached at Tab A are single sided copies of the recorded versions of same (each a "Location Notice").

We request that you date stamp each page of each Location Notice as received by BLM, in the order set forth above, and return the originals to me for our files. Also, please indicate in the LR2000 database the recording information on each Location Notice.

Also, for your convenience, enclosed is a self-addressed and prepaid Federal Express envelope for the return of the original directly to me.

Please do not hesitate to contact me by telephone at 602-916-5450 or by email at mmarra@fclaw.com if you have any questions.

Sincerely,

FENNEMORE CRAIG, P.C.

Re: Location Notices for Two (2) Unpatented Millsite Claims;  
Pinto Valley Mining Corp.

Dear Sir or Madam:

We represent Pinto Valley Mining Corp. ("Pinto Valley") in certain legal matters. Pinto Valley recently located two (2) unpatented millsite claims situated in the Miami Mining District in Sections 33 and 35, Unsurveyed Township 2 North, Range 13 East; G&SRB&M, Gila County, Arizona. Attached at Tab A are two (2) original signature Location Notices for Millsite Mining Claims and Mill Site Claim Location Maps on single sheets, front and back (each a "Location Notice") ordered in increasing claim name number sequence (i.e. PEAK 8-B, PEAK 34-B).

We request that you (i) date stamp both pages (i.e., both sides) of each Location Notice as received by BLM in the order as attached at Tab A (i.e., in increasing claim name number sequence), (ii) stamp both pages (i.e., both sides) of each Location Notice with the Arizona Mining Claim serial number as assigned by BLM in the order as attached at Tab A (i.e., in increasing claim name number sequence); and (iii) return the original Location Notices to me for subsequent recording in Gila County, Arizona records. Pinto Valley will provide BLM with a copy of the Gila County recorded version of each Location Notice in due course.

Also attached hereto is a check in the amount of \$450.00 for the required processing, location, and initial maintenance fees (i.e., 2 millsite claims @ \$20/claim processing fee + \$40/claim location fee + \$165/claim initial maintenance fee).

Please do not hesitate to contact me by telephone at 602-916-5450 or by email at mmarra@fclaw.com if you have any questions.

Sincerely,

FENNEMORE CRAIG, P.C.

## CR Geographic Report with Land

[Download User Guide \(pdf\)](#)

**Purpose:** This report produces a geographic listing of case information based on retrieval by Meridian/Township/Range. This report format will display the case type, case disposition, meridian, township, range, section, survey type, survey number, surface management agency, pending actions, serial number, and total case acres.

To refresh the query, do a **Ctrl-R**. It resets the page and clears any criteria fields that may have entries.

### No Results

The specified criteria didn't result in any data. This is often caused by applying filters and/or selection steps that are too restrictive or that contain incorrect values. Please check your analysis filters and selection steps, and try again. The filters or selection steps currently being applied are shown below.

### Filters
