Purpose: This report produces a geographic listing of case information based on retrieval by Meridian/Township/Range. This report format will display the case type, case disposition, meridian, township, range, section, survey type, survey number, surface management agency, pending actions, serial number, and total case acres.

To refresh the query, do a **Ctrl-R**. It resets the page and clears any criteria fields that may have entries.

 **No Results**

The specified criteria didn't result in any data. This is often caused by applying filters and/or selection steps that are too restrictive or that contain incorrect values. Please check your analysis filters and selection steps, and try again. The filters or selection steps currently being applied are shown below.
