### Transfer(s) Not Processed

A conveyance document to transfer ownership of the mining claim(s) listed above was received by the Bureau of Land Management (BLM) Arizona State Office. The transfer(s) of ownership cannot be processed for the following reason(s):

The Quit Claim Deed (QCD) submitted to transfer ownership from Jerry Metzger and Bertie Metzger to Toby Metzger and Sheila Metzger for claims AMC397909-AMC397910 and AMC75471-AMC75472 and AMC75475-AMC75476 and AMC289270-AMC289273 can only be partially completed. There is an address for Sheila Metzger only, so we can add her using the \$150 provided. In order to add Toby Metzger we need his address and an additional \$150 dollars, as the fee is \$15 per claim per grantee.

If appropriate, please submit a corrected conveyance document, required documents, or additional fees, within 30 days of your receipt of this notice. If the required information is not received within the 30-day timeframe, no further action will be taken, and the BLM will retain the non-refundable processing fees submitted.

If additional information is required, please contact Robert Mattson at 602 417-9565. Please include your AMC serial number(s) on all correspondence.

Transfer of Interest Held for Rejection

On August 23, 2005, this office received a quit claim deed transferring six mining claims (AMC 75475, AMC 75476, and AMC 289270 thru AMC 289273) from Jack Culp to Rod Sixbey and Rick D'Agostino. This transfer of interest is being held for rejection because the required service charge of \$5.00 per claim, per transferee was not paid.

In accordance with 43 CFR 3833.32 (c) each transferee must pay a non-refundable service charge of \$5 per claim. (Please note that as of November 7, 2005, this fee has increased to \$10 per claim, per transferee, however, because we received your document prior to November 7, 2005, the old fees will apply to this transfer.) To transfer six claims to two individuals the total amount due is \$60. We did receive a payment of \$5; therefore, the remaining \$55 is due. Per 43 CFR 3830.94, you are allowed 30 days from the receipt of this notice to pay the total amount due. If the funds are not received within the specified timeframe the transfer will not be processed.

Please note that AMC 289270 thru AMC 289273 is owned by Jack and Laura Culp. With this quit claim deed we will only transfer the interest of Jack Culp. Laura Culp will remain on the claims as an owner. In order to transfer Laura's interest we would need her name on the line as a grantor, as well as her notarized signature at the bottom.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please contact Amy Bunda at (602) 417-9334.

deeper than the 36 to 40 inch depth of MCI's buried fiber optic line, they are legally indistinguishable from MCI's subsoil use.

The term "surface" includes uses of the non-mineral subsoil, such as MCI's buried fiber optic line, under controlling legal principles. See section III.E.1, infra. Even if a buried fiber optic line is a subsurface use, the railroad was granted "substantial . . . subsurface rights." Kansas City Southern Ry. v. Arkansas Louisiana Gas Co., 476 F.2d 829, 835 (10th Cir. 1973); see section III.E.2, infra.

Finally, since the 1986 Associate Solicitor's letter admits that there "is no question that the railroad may install its own . . . buried" fiber optic line, a railroad clearly has subsoil use rights. Accordingly, there also is no question that the incidental use doctrine allows the installation of MCI's buried fiber optic line. See Grand Trunk, 91 U.S. at 468-69 ("if the [railroad] company might have put up the buildings, why might it not license others to do the same thing").

In stark contrast, no case holds that incidental ROW uses are limited to the visual surface. Thus, MCI's buried fiber optic line is an already authorized incidental use, and no legally supportable distinction can be drawn between above ground and subsoil incidental uses.

Congressional And Interior Acquiescence In The Incidental Use Doctrine - Interior has continued this sound legal policy of not asserting jurisdiction over incidental uses of railroad ROWs from 1900 up to the present day, with the glaring exception of the Associate Solicitor opinions. Incidental commercial uses of railroad ROWs were fully aired at an intensive 1961 Congressional

### Notice of Duplicate Payment for Annual Maintenance Fees

According to our records, the 2007 maintenance fee payment for the above listed mining claims was paid by Jerry Metzger, on April 3, 2006, and Nancy Sixbey on August 22, 2006. BLM cannot retain duplicate maintenance fee payments for a mining claim.

We require written notification from you as to what action you would like us to take. We can refund your maintenance fee payment or it can be applied to the next assessment year (2008 maintenance fee that is due on or before September 1, 2007).

If we do not receive a response within 30 days of your receipt of this letter, or if both claimants request a refund, we will retain the payment that was received in this office first and will refund any subsequent payment(s). The case file will be noted that both payments were timely received.

Please include your AMC serial numbers on all correspondence. If additional information is required, please contact Rod Ebert at 602-417-9397.

Sincerely,

Alvin L. Burch

**NOTICE/BURDEN HOURS STATEMENT**

The Privacy Act of 1974 and the regulations in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

**AUTHORITY:** 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

**PRINCIPLE PURPOSE:** This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

**ROUTINE USE:** (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management (1004-0114), Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.
