### Affidavit of Performance of Annual Work or Notice of Intent to Hold Discrepancies

We have received your Affidavit of Performance of Annual Work (POL) or Notice of Intent to Hold (NOI) for the 2008 assessment year for the mining claim(s) listed above. The following discrepancy was encountered:

- We did not receive the required processing fee. The processing fee for a POL or NOI is \$10 per claim. In accordance with 43 CFR 3830.91(8) you are allowed 30 days from the date you receive this Notice (or December 30, 2008, whichever is later) to pay the additional fees. If we do not receive your payment within this time frame, your documents will not be recorded by the Bureau of Land Management (BLM) and your mining claim will be closed. Any non-refundable processing fees already paid will be forfeited.
- We received the processing fee but did not receive the POL/NOI document. You must submit the document on or before December 30, 2008, or your mining claim(s) will be closed.
- X You did not use the correct form for a POL. We are enclosing the correct form. Complete the form and return it to this office on or before December 30, 2008

| <br>You did not file the correct document. Based on the status of your claim(s) you are required to file a POL, not an NOI. The correct form is enclosed. Please complete the form and return it to this office on or before December 30, 2008. |

(2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

### NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974 and the regulations in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

**AUTHORITY:** 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830

**PRINCIPLE PURPOSE:** This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management (1004-0114), Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

#### NOTE TO FILE RECORD

Mr. David Flanders called today (2/14/2018) to certify his current mailing address. He said he submitted a corrected waiver with his current address. I did a search and found that indeed his new current address was on the corrected waiver he submitted for AMC351108 and AMC354085, which we received on 11/24/2017.

On 11/27/2017, I sent him a note due to the fact that there was a different address written on the corrected waiver he submitted for AMC352844, which we also received on 11/24/2017.

Per my conversation with Mr. Flanders, I updated the address in LR-2000 and left a message at the phone number on file, to inform Mr. Flanders about my actions.

PBrown, LLE
