Ms. Flanders,

Per our conversation this morning, you will need to submit a "CORRECTED WAIVER"; please insert the correct dates.

Please list all your mining claims {by name and number} on the enclosed newer Waiver Form (Form expires Oct 31, 2016); the form you used show an expiration date of Nov 30, 2003), and obtain the original signatures of all 3 claimants.

{We are requiring all claimants to use the forms that are most current; you can find them on our website}

Also,

Our Database show Rose Flanders (not Rosa Flanders) as a claim owner; the waiver's for AMC351108 and AMC352844, lists Rose Flanders but is signed by Rosa Flanders. The waiver for AMC354085 lists Rosa Flanders and is signed by Rosa Flanders, yet our database list Rose Flanders as the claim owner.

After speaking with Rosa (aka Rose) Flanders on the phone this morning, she stated that her legal name is Rosa Flanders yet her husband wrote Rose Flanders on the notices from the beginning; she would like to have her name corrected so the only way we could do this is to have Rosa write out a statement and provide a copy of an ID showing her legal name; she will have to get the statement notarized as well. She must also list all of her claim numbers on any and all correspondence to the Bureau of Land Management.

If you have any questions, please feel free to call me at 602-417-9360.

Thank you,

PAULINE BROWN LAND LAW EXAMINER

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form.
