SMALL MINER WAIVER INFORMATION

1. **CURRENT FORMS.** Please use the most current waiver form for future filings. You can check on our website, blm.gov/az for the most current form. You should also use a current form for your Affidavit of Labor.
2. **FILING REQUIREMENTS.** Please keep in mind the requirements to qualify for a small miner waiver.
 - a) You are certifying when you sign the waiver that you and all related parties hold no more than a total of 10 mining claims or sites nationwide. "Related Parties" means a) the spouse and dependent children of the claimant or; b) a person who controls, is controlled by, or is under common control with the claimant.
 - b) **NEW - If you file a waiver, you must continue to own or control 10 or less claims during the entire assessment year. If at any time during the year you locate or acquire additional claims that put you over the 10 claim limit, your waiver is immediately canceled and you must pay the maintenance fees for the claims on the waiver.**
 - c) It is fraud against the Government to file a waiver you do not qualify for. As stated on the waiver you sign, the filing or recording of a false, fictitious, or fraudulent document with the Bureau of Land Management may result in a fine of up to \$250,000, a prison term not to exceed five years, or both.
3. **FILLING OUT THE WAIVER FORM CORRECTLY.** All waiver requests must include:
 - a) The names and **current** addresses of all claimants.
 - b) The original signatures of all claimants or original signature of the authorized agent.
 - c) The names and BLM serial numbers of the mining claims for which you are requesting a waiver.
 - d) The assessment year for which you are seeking a waiver.
 - e) If you are signing as an agent you **must** still include all names and addresses of all claim owners on the form; sign next to each name and indicate that you are signing on their behalf as an agent; provide a Power of Attorney for each claimant you sign on behalf of.
 - f) If you are signing on behalf of a company, enter the company name and address; sign your name and indicate in what capacity you are signing, i.e. President, Vice President, etc.
4. **SWITCHING BETWEEN WAIVER AND MAINTENANCE FEE/TRANSFERRING CLAIMS UNDER A WAIVER.**

Be very careful if switching between a waiver and maintenance fee, and when transferring a claim that is under a waiver.

 - a) If it is the first time you file a waiver, you must file a Notice of Intent to Hold, on or before December 30 immediately following the filing of the waiver. **AND**, you must also file an Affidavit of Labor on or before the following December 30.
 - b) If you filed a waiver for the current assessment year and then choose to file a maintenance fee the next year, you **MUST STILL** file the Affidavit of Labor by December 30. **Example:** On or before September 1, 2011, you filed a waiver for the 2012 assessment year. Then on or before September 1, 2012, you pay the maintenance fee for the 2013 assessment year. You **MUST STILL** file the Affidavit on or before December 30, 2012, for the 2012 assessment year to fulfill the waiver you filed. Paying your maintenance fee on or before September 1, 2012, for the 2013 assessment year does not alleviate this requirement.
 - c) If you transfer ownership of a mining claim that is under a waiver for the current assessment year be sure to inform the new owner of the requirement to file the Affidavit of Labor for that assessment year. This requirement does not go away because you transferred the claim.
 - d) If you transfer ownership of a mining claim that is under a waiver for the current assessment year and the new owner does not qualify for a small miner waiver, the waiver is immediately cancelled and the new owner must pay the maintenance fee for that year prior to the upcoming September 1. They must also pay the maintenance fee for the new assessment year that begins on September 1.

I (We) intend to hold the claim(s) and/or site(s) listed below for the calendar year 2018, and I (We) have filed or will file a Notice of Intent to Hold in the county where the claim (s) is located.

Reason for filing a Notice of Intent to Hold instead of an assessment work filing (check one):

- Maintenance fee was paid to maintain claim(s) during this assessment year.
- Mill or tunnel sites.
- Claim(s) was located during the current assessment year.
- BLM has deferred assessment work (attach copy of decision granting deferment, or pending petition for deferment including date petition was filed.)

Dear Sir:

On 9-30-15 Eran Reyman of the BLM telephoned that a copy of the above Affidavit had been mailed to the BLM, but that the required check for \$70.00 for seven mailing claims to be recorded with the BLM had an incorrect payee listed.

The enclosed check is submitted to correct the above error, and is properly made payable to the BLM.

Please accept the enclosed check which names the BLM as payee.

Kindly dispose of the original check.

Thank you for correcting this error wherein the original check was made payable to Yavapai County.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer-AWO-6385, Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

INSTRUCTIONS

1. This certification is made under the provisions of § 1744 of Title 43 and § 28-28k of Title 30 of the United States Code; and the regulations thereunder (43 CFR Part 3830).
2. The claimant(s) must fill in the dates in paragraph 1 for the beginning and ending of the assessment year for which this waiver is sought.
3. The claimant(s) must fill in the date in paragraph 2 for the beginning of the assessment year for which this waiver is sought.
4. All claim and site names and Bureau of Land Management (BLM) serial numbers must be listed for the mining claims, mill sites, and tunnel sites for which the waiver is sought.
5. All owners of the mining claims, mill sites, and tunnel sites and their addresses must be given.
6. This waiver form must be signed by all the claimants or their designated agent, in original form. If an agent is designated, a notarized designation of agent, signed by all of the claimants with proper address given, must be submitted with this waiver.

7. This form must be filed no later than September 1st for the upcoming assessment year in the BLM State Office where the mining claims or sites are recorded, or the waiver cannot be granted by the BLM. (Example: to obtain a waiver for the assessment year 2000, which begins at noon on September 1, 1999, you must qualify for and file for a waiver no later than September 1, 1999, in the proper BLM State Office).
8. For all mining claims which require assessment work, you must record an affidavit of labor on or before the December 30th immediately following the filing of this waiver. For all other mining claims or sites waived, you must record a notice of intent to hold on or before the December 30th immediately following the filing of this waiver.
9. Mill and tunnel sites may also be listed upon this waiver and be waived from payment of the maintenance fee. A notice of intent to hold for these sites is required to be filed by the December 30th following the filing of this waiver.

NOTICE/BURDEN HOURS STATEMENT

The Privacy Act of 1974, as amended, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St, N.W., Washington, D.C. 20240.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of 100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:
This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St, N.W., Washington, D.C. 20240.

Would you kindly check the following:

I am faxing a copy of your print out recently sent to me:

On serial number 356454 Case type 384101 ROBERT MACELVAIN should be shown as living in Eufaula, AL (Not FL), and at 725 Randolph St. Eufaula, AL 36027.

I should be shown as: Roy Stephens, 3499 Stratfield Dr., Atlanta, GA 30319 on your records my name is spelled incorrectly, and the address is incorrect. We show this as Camelot #1. Would you kindly have this corrected. I attach a copy of Camelot #1.

I am also faxing copies of Camelot #'s 2 and 3. I do not have them as being listed With the BLM. I attach copies of these two claims also. Please list, or advise me what is needed to have these two claims properly listed. We believe these claims to be recorded, but we do not have BLM numbers for them. Please record, or advise what costs are needed, and I will send check to have these claims recorded, as shown in the copies attached.

On claim number AMC356566 is not shown on your print out. A copy of this claim Camelot #7 is attached. Will you please verify that this claim is current.

On claim number AMC 356567 Robert MacElvain is incorrectly shown as living In (FL), should be AL, I am shown correctly. It is correctly shown as Camelot #8.

My records show Camelot #9 has been recorded, under Number 356568. However, your print out does not show this claim at all.

I am sending copies of two claims: 356566 and 356568. These two claims are not shown on the print out sent to me (a copy of which is attached.)

To sum up: BLM's print out only shows 2 claims current (#1 & 8). Claims 2 & 3 have no number assigned (at least I have no number shown) Claims 7,3 and 9 have BLM Numbers, but contain certain clerical errors. BLM #8 is shown on your print out, but #9 Is not shown.

Please help us get these 6 claims in order, we will send whatever fee is needed.

Thank you.

AUTHORITY: 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 8 minutes (0.133 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management (1004-0114), Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

AFFIDAVIT

The State of Georgia)
) S.S.
County of DeKalb)

I, Roy E. Stephens of DeKalb County, Georgia, the President of Advanced Engineering and Environmental Systems, Inc., MAKE OATH AND SAY THAT the following facts are true to the best of my knowledge.

SUBSCRIBED AND SWORN TO
BEFORE ME on the 27 day of February, 2017.

The aim of this document is to force Mr. Creighton F. Hampton 4408 W. Echo Lane, Glendale Arizona, 85302 to:

No 1. To cease to squat on the BLM mining claims of the true claim owner, which is [Advanced Engineering and Environmental Systems, Inc./Camelot] here after "Advanced".

A "NO Trespassing" notice has been served on Creighton F Hampton, demanding Squatters cease any physical contact with the true claims of Advanced.

No 2. to demand Creighton F. Hampton here after "Hampton" to cease as a Squatter and filing Squatter documents on the mining claims of true owner Advanced, listed below and:

No 3. to force Hampton to execute a release in favor of Advanced, a fully notarized release of any and all false claims, past or present that he may have filed on the mining claims of Advanced listed below.

No 4. To have the said false squatter claims, listed below, erased and to have said release executed and notarized in favor of Advanced, and said release to be delivered by certified mail to Advanced.

No 5. Hampton has filed government forms that states thereon that he is the "owner" of the mining claims listed below. This is a false statement and demand is herewith made that Hampton acknowledge he is a squatter, and to do so in writing. A "Affidavit of Labor" has nothing whatsoever to do with ownership of a mining claim.

No. 6. Hampton has filed no record of ownership on record at the legal depository of mining claims in Arizona: [Yavapai County AZ Recorder's Office], and a demand is herewith made that Hampton admit in writing that he has no mining claim recorded in Yavapai County Arizona Recorder's Court.

No 7. That Arizona Attorney Scott Donaldson visited the Phoenix Office of the BLM, and was advised that the BLM had made a mistake in transferring a claim, that affected Advanced, and that the error would be corrected. Advanced has a letter to that effect.

[For the reader): US government law, and Arizona State Law, give jurisdiction to local mining claims to the Recorder's Office in the various counties of the State. The mining clamant is required, by law, to send a recorded copy of the document to

the BLM. (The BLM merely functions in having a notice of a claim being filed). Hampton has filed no notice of a claim, as required, in either the BLM or the Recorder's Office of Yavapai County, Arizona. Since a Squatter has no claim, it is impossible for him to send a recorded copy of his claim to the BLM. Squatters have no claim.

No 8. Hampton has filed no notice of ownership in Yavapai County, hence he has not filed a mining claim with either the County or the US Government (BLM). Hampton has filed an Affidavit of labor that he did work on certain claims - he has no claims to work. No claim document has been filed with the Recorder's Court of Yavapai County, Arizona; hence a copy of a legitimate legal claim cannot be, and is not, filed with the BLM. Hampton does not file a claim, as squatters have no claim to file.

No 9. Records will show that Hampton has filed many forms of an "Affidavit of Labor", in which he has claimed himself as owner, and in these same filings Hampton has set out numerous Corporations, and unlisted Associations, and individuals as owners.. Many of these forms contained signatures that did not show the capacity of Hampton, and the many of the corporations listed by Hampton have no known address. On some, Hampton signed both sides of the forms as a principal. Also Hampton transferred by Quit Claim Deed certain mining claims and then transferred the claims out then back to himself. Hampton did not own any of these documents that he executed, and that he filed at Recorder's Court of Yavapai County. Not one single document that Hampton filed is authentic on the captioned claims below

No 10. On one occasion, on record, Hampton signed a Quit Claim deed for a mining claim to an individual, he signed for Mesa Holding Corporation, LLC. Hampton did not own the claim he signed for, did not transfer any claim to the corporation, and signed for the corporation. This document is filed in Yavapai Records' Court. There is no Mesa Holding Corporation, LLC listed in Arizona. Hampton signed as "owner" of the non-existent corporation. There is no record of this claim being assigned to Hampton. Hampton has no claims assigned to him recorded in Yavapai County. There is no one to sign a legitimate mining claim to Hampton, hence he is a squatter,

No 11. Unless Advanced has all claims cleared by Hampton; Advance has every intention of bringing a civil suit against Hampton, and seeking a criminal charge for filing a government form (Affidavit of Labor), in which Hampton states falsely under oath that he is owner of the mining claims owned by Advanced as set-out herein.

No 12. Hampton will be served with this affidavit. ... Advanced offers to RENT subject claims to Hampton herewith. This document will also be served on both the BLM and the Recorder's office of Yavapai County, and others.

The Mining Claims subject to this affidavit are:

"The seven (7) mining claims owned by Advanced Environmental and Engineering Systems, Inc. (Camelot), and Title legally filed continuously with both the BLM, and with the Recorder's Office, of Yavapai County, Arizona, from the years 2002 until the current filings of the above mining claims in 2016. Said claims having been filed continuously, by same stated true owner Advanced.

Hampton has NOT filed continuously or exclusively and as a squatter filed many different so-called owners. Hampton has no equitable 'right'.

Fake mineral claim jumpers, also called squatters, sometimes pretend land not occupied by buildings to be abandoned.

Nothing further from this could be shown to prove that Advanced has been alive and active in past activities and that we are exercising now, for instance:

Our expenditures have been more than two Hundred Thousand Dollars (\$200.000) and continue currently.

We have three file cabinets filled with documents concerning our claims.

Some of the contacts and copies of correspondence in our files include: BLM, Yavapai County, US and Arizona governments and copies in our files of contacts with hundreds of various companies, and individuals.

Our company has spent many years working with plasma patents and tests.

Our company tests materials for strategic metals, and we have worked with GeorgiaTech for over ten (10) years, and have subjected our plasma tests, to be further defined, to many other fire tests, magnetic examinations and atomic absorption examinations, other than our plasma tests.

We have compensated our Arizona associate each month for 12 years. He has staked claims, for us, and has sent samples from our claims to us. . We have pictures of our local associate in our files of him carrying large buckets of ore materials in his arms. Material later sent to our plasma furnaces, we have two such furnaces, and one conventional furnace We have had patent consultants,

I have spent 100 per cent of my working hours for over 14 years working with our claims. Our company geologist has spent a large part of his time working with us for the past 14 years. One principal working with us has constructed a proto type furnace used for testing. We have worked with consultants.

No legitimate claim can be made that Advanced Energy and Environmental Systems, Inc. a Georgia Corporation is good standing, has been anything but active. Several of our people have visited our Arizona claims.

Would you kindly check the following:

I am faxing a copy of your print out recently sent to me:

On serial number 356454 Case type 384101 ROBERT MACELVAIN should be shown as living in Eufaula, AL (Not FL), and at 725 Randolph St. Eufaula, AL 36027. ✓

I should be shown as: Roy Stephens, 3499 Stratfield Dr., Atlanta, GA 30319 on your records my name is spelled incorrectly, and the address is incorrect. We show this as Camelot #1. Would you kindly have this corrected. I attach a copy of Camelot #1.

I am also faxing copies of Camelot #'s 2 and 3. I do not have them as being listed With the BLM. I attach copies of these two claims also. Please list, or advise me what is needed to have these two claims properly listed. We believe these claims to be recorded, but we do not have BLM numbers for them. Please record, or advise what costs are needed, and I will send check to have these claims recorded, as shown in the copies attached.

On claim number AMC356566 is not shown on your print out. A copy of this claim Camelot #7 is attached. Will you please verify that this claim is current.

On claim number AMC 356567 Robert MacElvain is incorrectly shown as living In (FL), should be AL, I am shown correctly. It is correctly shown as Camelot #8.

My records show Camelot #9 has been recorded, under Number 356568. However, your print out does not show this claim at all.

I am sending copies of two claims: 356566 and 356568. These two claims are not shown on the print out sent to me (a copy of which is attached.) Please show them.

To sum up: BLM's print out only shows 2 claims current (#1 & 8). Claims 2 & 3 have no number assigned (at least I have no number shown) Claims 7,8 and 9 have BLM Numbers, but contain certain clerical errors. BLM #8 is shown on your print out, but #9 Is not shown. Would you please list #9 as current.

Please help us get these 6 claims in order, we will send whatever fee is needed.

Thank you.
