DECISION

GREYSTONE MINERALS BT	:	This decision affects those claims
617 URBAN RD	:	shown on the attached list(s).
HERNDON, PA 17830-7231	:	

SEE ENCLOSURE FOR LIST OF MINING CLAIMS

MINING CLAIMS DECLARED FORFEIT

The mining claims listed above have been declared forfeit as of September 1, 2017, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeit.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call RéAnn Myers at 602-417-9413.

Re: Transfer of Mining Claim

Dear Ladies and Gentlemen:

Attached is a copy of a recorded Trustee's Deed transferring 111 mining claims from Wesco Minerals, LLC, to Greystone Materials, B.T. Greystone's address is on the Deed.

I have enclosed a check in the amount of \$1,110.00 as the transfer fee for the 111 claims.

Please file this Deed with your records and do whatever else is necessary to properly document the transfer of these claims to Greystone.

By way of background, Wesco encumbered these claims by a deed of trust in favor of Wachovia Bank in 2006 to secure a loan. Wachovia merged with Wells Fargo, which became the lender and holder of the deed of trust. In October of 2011 Wells Fargo assigned its deed of trust to Greystone. This assignment was recorded with the County Recorder in March of 2012. Greystone then foreclosed on the deed of trust by way of a public foreclosure sale and became the owner of the claims upon the issuance of the enclosed Trustee's Deed.

Please contact me if you have any questions or need additional documentation.

Very truly yours,

Jones Osborn

Re: Transfer of Mining Claim

Dear Ladies and Gentlemen:

Attached is a copy of a recorded Trustee's Deed transferring 111 mining claims from Wesco Minerals, LLC, to Greystone Materials, B.T. Greystone's address is on the Deed.

I have enclosed a check in the amount of \$1,110.00 as the transfer fee for the 111 claims.

Please file this Deed with your records and do whatever else is necessary to properly document the transfer of these claims to Greystone.

By way of background, Wesco encumbered these claims by a deed of trust in favor of Wachovia Bank in 2006 to secure a loan. Wachovia merged with Wells Fargo, which became the lender and holder of the deed of trust. In October of 2011 Wells Fargo assigned its deed of trust to Greystone. This assignment was recorded with the County Recorder in March of 2012. Greystone then foreclosed on the deed of trust by way of a public foreclosure sale and became the owner of the claims upon the issuance of the enclosed Trustee's Deed.

Please contact me if you have any questions or need additional documentation.

Very truly yours,

Jones Osborn

RE: **Document Filing**

Ladies and Gentlemen:

On February 8, 2007, I sent your office copies of a Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing, a Security Agreement and an Intercreditor Agreement for filing in the lead file of the Rainbow #1-#76, Rainbow Mill #1-#4, and the Fan #1-#16, #38-#55 unpatented mining claims. It has come to my attention that there are 9 lead files for these unpatented mining claims. Therefore, I am resubmitting a copy of the above-listed documents requesting that the documents be placed in the lead file identified as A MC 353757, and that copies of this letter be placed in the lead files identified as A MC 353815, A MC 362365, A MC 362828, A MC 362917, A MC 363078, A MC 363573, A MC 364616, and A MC 372022. For your convenience, enclosed are 8 copies of this letter, one for each lead file.

Thank you for your assistance and please feel free to contact me with any questions or concerns.

Sincerely,

Robin E. Barnes, CP
