2013 Maintenance Fees - Additional Fees Required

Your maintenance fee payment for the 2013 assessment year, in the amount of \$140 per claim, for the placer claims listed above, has been received and is insufficient. **The total due on your claim(s) is: \$980.**

In accordance with the Consolidated Appropriations Act of 2012, Public Law 112-74 (125 Stat 1047), and FR44155-44158 (2012) Congress changed the way maintenance fees for placer mining claims are assessed. Instead of charging the maintenance fee on a per-claim basis, Congress stated that the fee, which is currently \$140, will be assessed on each 20 acre parcel of a placer claim or portion thereof.

Insufficient payment of the annual maintenance fee for the 2013 assessment year is a curable defect. **Therefore you are required to do one of the following within 30 days of receipt of this notice or your claim(s) will be declared forfeited:** 1) submit additional fees of \$140 per 20-acres or portion thereof based on the full acreage of the claim, or 2) amend the claim(s) to reduce the acres so a lesser fee is due and submit any additional fees due; or 3) relinquish the claim(s) in their entirety, in which case BLM will refund the maintenance fees you have already paid for the 2013 assessment year.

If you choose to amend the claims to reduce the acres, you must submit an amended location notice for each claim, with an accurate description and dimensions of the reduced claim, along with a map depicting the reduced claim, and a \$10 processing fee per amendment. An amendment must also be recorded at the county. If the amended claim contains more than 20 acres, calculate the additional fees due and submit those fees with the amendment(s).

Amended claim to 20 acres.
AT

Please include your Arizona Mining Claim (AMC) serial number(s) and claim name(s) when submitting the additional fees, and note that you are paying additional fees due. If additional information is required, please contact Amy Thrower at 602-417-9334.

Memorandum

To: Casefile, AMC-364071

From: Rod Ebert, Legal Instrument Examiner

Subject: Recognition & Acceptance of County Recordation

Due to the backlog in processing amendments, we have decided to accept and process this amendment. The claimant showed a desire to meet the new regulations and did record with the county in a timely manner. Assuming that our office was not backlogged and would have processed the amendment in a shorter time frame, it is believed that the claimant would have complied with regulations and filed with the Bureau within 90 days of county recordation. The amendment submitted shows that county recordation was made one (1) day after filing with BLM.

Subpart B—General Rules Relating to Procedures and Practice

Sec. 4.20 Purpose.

In the interest of establishing and maintaining uniformity to the extent feasible, this subpart sets forth general rules applicable to all types of proceedings before the Hearings Division and the several Appeals Boards of the Office of Hearings and Appeals.

Sec. 4.21 General provisions.

(a) *Effect of decision pending appeal.* Except as otherwise provided by law or other pertinent regulation:

(1) A decision will not be effective during the time in which a person adversely affected may file a notice of appeal; when the public interest requires, however, the Director or an Appeals Board may provide that a decision, or any part of a decision, shall be in full force and effective immediately;

(2) A decision will become effective on the day after the expiration of the time during which a person adversely affected may file a notice of appeal unless a petition for a stay pending appeal is filed together with a timely notice of appeal; a petition for a stay may be filed only by a party who may properly maintain an appeal;

(3) A decision, or that portion of a decision, for which a stay is not granted will become effective immediately after the Director or an Appeals Board denies or partially denies the petition for a stay, or fails to act on the petition within the time specified in paragraph (b)(4) of this section.

(b) *Standards and procedures for obtaining a stay.* Except as otherwise provided by law or other pertinent regulation:

(1) A petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

(i) The relative harm to the parties if the stay is granted or denied,

(ii) The likelihood of the appellant's success on the merits,

(iii) The likelihood of immediate and irreparable harm if the stay is not granted, and

(iv) Whether the public interest favors granting the stay;

(2) The appellant requesting the stay bears the burden of proof to demonstrate that a stay should be granted;

(3) The appellant shall serve a copy of its notice of appeal and petition for a stay on each party named in the decision from which the appeal is taken, and on the Director or the Appeals Board to which the appeal is taken, at the same time such documents are served on the appropriate officer of the Department; any party,

including the officer who made the decision being appealed, may file a response to the stay petition within 10 days after service; failure to file a response shall not result in a default on the question of whether a stay should be granted; service shall be made by delivering copies personally or by sending them by registered or certified mail, return receipt requested;

(4) The Director or an Appeals Board shall grant or deny a petition for a stay pending appeal, either in whole in or part, on the basis of the factors listed in paragraph (b)(1) of this section, within 45 calendar days of the expiration of the time for filing a notice of appeal;

(c) *Exhaustion of administrative remedies.* No decision which at the time of its rendition is subject to appeal to the Director or an Appeals Board shall be considered final so as to be agency action subject to judicial review under 5 U.S.C. 704, unless a petition for a stay of decision has been timely filed and the decision being appealed has been made effective in the manner provided in paragraphs (a)(3) or (b)(4) of this section or a decision has been made effective pending appeal pursuant to paragraph (a)(1) of this section or pursuant to other pertinent regulation.

(d) *Finality of decision.* No further appeal will lie in the Department from a decision of the Director or an Appeals Board of the Office of Hearings and Appeals. Unless otherwise provided by regulation, reconsideration of a decision may be granted only in extraordinary circumstances where, in the judgment of the Director or an Appeals Board, sufficient reason appears therefor. Requests for reconsideration must be filed promptly, or within the time required by the regulations relating to the particular type of proceeding concerned, and must state with particularity the error claimed. The filing and pendency of a request for reconsideration shall not operate to stay the effectiveness of the decision involved unless so ordered by the Director or an Appeals Board. A request for reconsideration need not be filed to exhaust administrative remedies.

[36 FR 7186, Apr. 15, 1971, as amended at 58 FR 4942, Jan. 19, 1993]

Subpart E – Special Rules Applicable to Public Land Hearings and Appeals

APPEALS PROCEDURES APPEALS PROCEDURES; GENERAL

Sec. 4.400 Definitions.

As used in this subpart:

(a) *Secretary* means the Secretary of the Interior or his authorized representatives.

(b) *Bureau* means Bureau of Land Management.

(c) *Board* means the Board of Land Appeals in the Office of Hearings and Appeals, Office of the Secretary. The terms *office* or *officer* as used in this subpart include *Board* where the context requires.

(d) *Administrative law judge* means an administrative law judge in the Office of Hearings and Appeals, Office of the Secretary, appointed under section 3105 of title 5 of the United States Code.

Sec. 4.401 Documents.

(a) *Grace period for filing.* Whenever a document is required under this subpart to be filed within a certain time and it is not received in the proper office during that time, the delay in filing will be waived if the document is filed not later than 10 days after it was required to be filed and it is determined that the document was transmitted or probably transmitted to the office in which the filing is required before the end of the period in which it was required to be filed. Determinations under this paragraph shall be made by the officer before whom is pending the appeal in connection with which the document is required to be filed.

(b) *Transferees and encumbrancers.* Transferees and encumbrancers of land the title to which is claimed or is in the process of acquisition under any public land law shall, upon filing notice of the transfer or encumbrance in the proper land office, become entitled to receive and be given the same notice of any appeal, or other proceeding thereafter initiated affecting such interest which is required to be given to a party to the proceeding. Every such notice of a transfer or encumbrance will be noted upon the records of the land office. Thereafter such transferee or encumbrancer must be made a party to any proceedings thereafter initiated adverse to the entry.

(c) *Service of documents.* (1) Wherever the regulations in this subpart require that a copy of a document be served upon a person, service may be made by delivering the copy personally to him or by sending the document by registered or certified mail, return receipt requested, to his address of record in the Bureau.

(2) At the conclusion of any document that a party must serve under the regulations in this part, the party must sign a written statement certifying that service has been or will be made in accordance with the applicable rules and specifying the date and manner of such service.

(3) A document will be considered to have been served at the time of personal service, of delivery of a registered or certified letter, or of the return by post office of an undelivered registered or certified letter.

[36 FR 7186, Apr. 15, 1971, as amended at 36 FR 15117, Aug. 13, 1971; 68 FR 33803, June 5, 2003]

Sec. 4.402 Summary dismissal.

An appeal to the Board will be subject to summary dismissal by the Board for any of the following causes:

(a) If a statement of the reasons for the appeal is not included in the notice of appeal and is not filed within the time required;

(b) If the notice of appeal is not served upon adverse parties within the time required; and

(c) If the statement of reasons, if not contained in the notice of appeal, is not served upon adverse parties within the time required.

(d) If the statement of standing required by Sec. 4.412(b) is not filed with the Board or is not served upon adverse parties within the time required.

[36 FR 7186, Apr. 15, 1971, as amended at 47 FR 26392, June 18, 1982]

Sec. 4.403 Finality of decision; reconsideration.

A decision of the Board shall constitute final agency action and be effective upon the date of issuance, unless the decision itself provides otherwise. The Board may reconsider a decision in extraordinary circumstances for sufficient reason. A petition for reconsideration shall be filed within 60 days after the date of a decision. The petition shall, at the time of filing, state with particularity the error claimed and include all arguments and supporting documents. The petition may include a request that the Board stay the effectiveness of the decision for which reconsideration is sought. No answer to a petition for reconsideration is required unless so ordered by the Board. The filing, pendency, or denial of a petition for reconsideration shall not operate to stay the effectiveness or affect the finality of the decision involved unless so ordered by the Board. A petition for reconsideration need not be filed to exhaust administrative remedies.

[52 FR 21308, June 5, 1987]

APPEALS TO THE BOARD OF LAND APPEALS

Sec. 4.410 Who may appeal.

(a) Any party to a case who is adversely affected by a decision of an officer of the Bureau of Land Management or of an administrative law judge shall have a right to appeal to the Board, except—

(1) As otherwise provided in Group 2400 of chapter II of this title,

(2) To the extent that decisions of Bureau of Land Management officers must first be appealed to an administrative law judge under Sec. 4.470 and part 4100 of this title,

(3) Where a decision has been approved by the Secretary, and

(4) As provided in paragraph (e) of this section.

(b) A party to a case, as set forth in paragraph (a) of this section, is one who has taken action that is the subject of the decision on appeal, is the object of that decision, or has otherwise participated in the process leading to the decision under appeal, e.g., by filing a mining claim or application for use of public lands, by commenting on an environmental document, or by filing a protest to a proposed action.

(c) Where BLM provided an opportunity for participation in its decision-making process, a party to the case, as set forth in paragraph (a) of this section, may raise on appeal only those issues:

(1) Raised by the party in its prior participation; or

(2) That arose after the close of the opportunity for such participation.

(d) A party to a case is adversely affected, as set forth in paragraph (a) of this section, when that party has a legally cognizable interest, and the decision on appeal has caused or is substantially likely to cause injury to that interest.

(e) For decisions rendered by Departmental officials relating to land selections under the Alaska Native Claims Settlement Act, as amended, any party who claims a property interest in land affected by the decision, an agency of the Federal Government or a regional corporation shall have a right to appeal to the Board.

[47 FR 26392, June 18, 1982, as amended at 68 FR 33803, June 5, 2003]

Sec. 4.411 Appeal; how taken, mandatory time limit.

(a) A person who wishes to appeal to the Board must file in the office of the officer who made the decision (not the Board) a notice that he wishes to appeal. A person served with the decision being appealed must transmit the notice of appeal in time for it to be filed in the office where it is required to be filed within 30 days after the date of service. If a decision is published in the FEDERAL REGISTER, a person not served with the decision must transmit a notice of appeal in time for it to be filed within 30 days after the date of publication.

(b) The notice of appeal must give the serial number or other identification of the case and may include a

statement of reasons for the appeal, a statement of standing if required by Sec. 4.412 (b), and any arguments the appellant wishes to make.

(c) No extension of time will be granted for filing the notice of appeal. If a notice of appeal is filed after the grace period provided in Sec. 4.401(a), the notice of appeal will not be considered and the case will be closed by the officer from whose decision the appeal is taken. If the notice of appeal is filed during the grace period provided in Sec. 4.401(a) and the delay in filing is not waived, as provided in that section, the notice of appeal will not be considered and the appeal will be dismissed by the Board.
