DECISION

GOLDRIDGE HOLDINGS LTD :
1055 W GEORGIA ST 1500 ROYAL CENTER:
VANCOUVER, BC V6E 4N7 :

This decision affects those claims
shown on the attached list(s).

SEE ATTACHMENT(S) FOR CLAIM NAMES AND AMC NUMBERS

MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited as of September 1, 2019, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$165 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeited.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if

you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (1) The likelihood of the appellant's success on the merits,
- (2) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (3) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Pauline Brown at 602-417-9360.

DECISION

GOLDRIDGE HOLDINGS LTD :
1055 W GEORGIA ST 1500 ROYAL CENTER:
VANCOUVER, BC V6E 4N7 :

This decision affects those claims
shown on the attached list(s).

SEE ATTACHMENT(S) FOR CLAIM NAMES AND AMC NUMBERS

MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited as of September 1, 2019, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$165 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeited.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if

you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (1) The likelihood of the appellant's success on the merits,
- (2) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (3) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Pauline Brown at 602-417-9360.

DECISION

GOLDRIDGE HOLDINGS LTD :
1055 W GEORGIA ST 1500 ROYAL CENTER:
VANCOUVER, BC V6E 4N7 :

This decision affects those claims
shown on the attached list(s).

SEE ATTACHMENT(S) FOR CLAIM NAMES AND AMC NUMBERS

MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited as of September 1, 2019, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$165 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeited.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations. For land administered by the Bureau of Land Management (BLM), if

you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (1) The likelihood of the appellant's success on the merits,
- (2) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (3) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call Pauline Brown at 602-417-9360.

The enclosed serial register page(s) identifies the serial number(s) that have been assigned to your mining claim location notice(s). Please review the information and notify Rod Ebert at (602) 417-9397 if there are any changes.

ADDITIONAL INFORMATION

ASSESSMENT YEAR: Begins at 12 noon September 1 through 12 noon the following September 1.

If the claim is located on or before September 1 and near the end of the assessment year, you must pay the \$170 plus an additional \$125 maintenance fee to cover the upcoming assessment year. If you qualify for a waiver, you may submit a Small Miner's Waiver Certification (waiver) rather than pay the \$125 for the assessment year. (Example: If the location date is August 28 and you file with BLM September 5, you must pay \$170 for the assessment year in which the claim is located and either pay an additional \$125 maintenance fee or file a waiver for the following year **at the same time**. If you do not qualify for a waiver, you must pay the additional \$125 maintenance fee.) Also, the location fee for new mining claims has increased from \$25 to \$30. Any new mining claims located on or after November 8, 2005, will cost \$170 per claim. This includes a \$30 location fee, \$125 maintenance fee, and \$15 service charge.

MAINTAINING CLAIMS: Either a \$125 Maintenance Fee payment per claim or a waiver must be filed on or before each September 1 and is filed in advance for the upcoming year. There is no fee required for the waiver. If you file a waiver, you must file a Proof of Labor or Notice of Intention to Hold by December 30th. BLM service charge is \$10 per claim.

CHANGE OF ADDRESS: It is **important to notify us** of any change of address. Please list the claim name and serial number(s). There is no fee for a change of address.

AMENDMENTS: If a correction is required on the original location notice, an amended notice should be filed with the BLM and County Recorder. BLM service charge is \$10 per claim. You cannot amend a mining claim to add additional acreage or locators, or to change the type of claim (i.e., lode to placer).

TRANSFER OF INTEREST: If there is a change of ownership, the **notarized** transfer document must be filed with BLM **and** the County Recorder. BLM service charge is \$10 per claim.

PRIOR TO OPERATION: Contact the BLM Field Office or Forest Service Office having jurisdiction over the land in which your claim is located, pertaining to what type of work you are allowed to do and what steps are required, such as casual work, notice or plan of operations, and bond requirements.

Re: Unpatented Mineral Claims Ownership Transfer

We are contacting you regarding the letter from the BLM dated June 20th, 2012 in reference to the transfer(s) not processed of 112 unpatented claims from NewWest Gold LLC. to Golden Fame (USA) Inc. We have enclosed the additional documentation requested and also a cheque for the appropriate transfer fee. A description of the name changes for the companies and sale of claims is given below. If there are any further questions regarding this transfer please contact either Hazel Mullin at hazel.mullin@barongroupintl.com (604-377-2496) or Jody Timmis at jtimmis@ymail.com (604-320-3373).

In October 2006, New West Gold LLC merged with NewWest Gold (USA) Inc. The surviving company was NewWest Gold (USA) Inc. In November 2008, NewWest Gold (USA) Inc. changed their name to Fronteer Development (USA) Inc. (Fronteer). Subsequently, in June of 2010, Golden Fame purchased the unpatented claims from Fronteer, however it appears that the BLM were never officially notified of the merger or change in ownership and thus the claims still remain under the name of NewWest Gold Corp., a company which no longer exists. Some time after NewWest Gold (USA) Inc. became Fronteer Development (USA) Inc., they were acquired by Newmont therefore NewWest Gold (USA) Inc. now no longer exists as a corporation. I have contacted Newmont's Land Department, who sent us a copy of the Notice of Merger of NewWest Gold LLC. with NewWest Gold (USA) Inc. and the Notice of Name Change from NewWest Gold (USA) Inc. to Fronteer, which I also attach here. Also attached as supporting documentation is the Bargain and Sale Deed and Release from June 2010, outlining the final sale of the claims from Fronteer to Golden Fame.

Below is a list of the claims which need to be registered in the name of Golden Fame (USA) Inc.

EXHIBIT B**NET SMELTER ROYALTY**

Fronteer Development (USA) Inc. ("**Royalty Holder**") hereby reserves, and Golden Fame (USA) Inc. (the "**Company**") hereby grants to/agrees to pay to Royalty Holder, its successors and assigns, a Royalty (as herein defined) on minerals produced, saved and sold from the Claims and the Fee Lands (collectively, the "**Property**") on the terms and subject to the conditions herein specified in this agreement (the "**NSR Agreement**").

1. **Royalty.** If the Company commences production of Products that are mined from the Property, the Company grants and shall pay the Royalty Holder a Royalty equal to two percent (2%) of the Net Smelter Returns from all Products (the "**Royalty**"), computed as herein provided. No Royalty shall be due upon bulk samples extracted by the Company for metallurgical testing purposes during the Company's exploration or development work on the Property.

(a) The term "**commences production**" as used herein shall mean the first day of the month following expiration of the first consecutive two month period within which milling or heap or dump leaching (or other treatment) of ores produced from the Property has yielded concentrate of commercial quality and quantity.

(b) "**Products**" shall mean all ores and minerals mined from the Property and all concentrates and other mineral products, metals or minerals which are derived therefrom.

2. **Net Smelter Returns.** As used herein, "**Net Smelter Returns**" means the Gross Proceeds less Allowable Deductions.

(a) As used herein, "**Gross Proceeds**" shall have the following meaning:

(i) If the Company causes refined gold (meeting the specifications of the London Bullion Market Association) to be produced from Products, Net Smelter Returns shall be paid on the refined gold, as herein provided. For purposes of determining Net Smelter Returns, the refined gold shall be deemed to have been sold at the Monthly Average Gold Price and the Gross Proceeds shall be determined by multiplying Gold Production during the calendar month by the Monthly Average Gold Price for such month. As used herein, "**Gold Production**" shall mean the quantity of refined gold outturned during the calendar month to the Company's account by an independent third party refinery from Products, on either a provisional or final settlement basis. If the outturn of refined gold is made by the refinery on a provisional basis, Gross Proceeds shall be based on the amount of such provisional settlement, but shall be adjusted in subsequent payments and statements to account for the amount of refined metal established by the final settlement. "**Monthly Average Gold Price**" shall mean the average London Bullion Market Association P.M. Gold Fix, calculated by dividing the sum of all such prices reported for the month by the number of days for which such prices were reported.

(ii) If the Company causes refined silver (meeting the specifications for refined silver subject to the New York Silver Price published by Handyside & Harman) to be produced from Products, Net Smelter Returns shall be paid on refined silver as herein

provided. For purposes of determining Net Smelter Returns, the refined silver shall be deemed to have been sold at the Monthly Average Silver Price and the Gross Proceeds shall be determined by multiplying Silver Production during the calendar month by the Monthly Average Silver Price for such month. As used herein, "Silver Production" shall mean the quantity of refined silver outturned during the calendar month to the Company's account by an independent third party refinery from Products, on either a provisional or final settlement basis. If the outturn of refined silver is made by the refinery on a provisional basis, Gross Proceeds shall be based on the amount of such provisional settlement, but shall be adjusted in subsequent payments and statements to account for the amount of refined metal established by the final settlement. As used herein, "Monthly Average Silver Price" shall mean the average New York Silver Price as published daily by Handy & Harmon, calculated by dividing the sum of all such prices reported for the calendar month by the number of days for which such prices were reported.

(iii) If the Company causes refined metals other than refined gold and refined silver to be produced from Products, Net Smelter Returns shall be paid on the refined metal produced as herein provided and the Gross Proceeds shall be equal to the amount of the proceeds actually received by the Company during the calendar month from the sale of such refined metal.

(iv) If the Company sells raw ore mined from the Property or doré or concentrates produced from Products to an independent third party in an arm's length transaction, then the Gross Proceeds shall be equal to the amount of the proceeds actually received by the Company during the calendar month from the sale of such raw ore, doré, or concentrates.

(v) If the Company sells raw ore mined from the Property or doré or concentrates produced from Products in other than an arm's length sale to an independent third party, then the Gross Proceeds shall be equal to the fair market value of such raw ore, doré or concentrates.

(b) As used herein, "Allowable Deductions" shall mean the following costs, charges and expenses paid by the Company for or with respect to processed Products, after such Products are shipped from the Property:

(i) Charges for treatment in the smelting and refining processes (including handling, processing, interest and provision for settlement fees, costs of umpires, sampling, weighing, assaying and representation fees, penalties, and other deductions made by the smelter or refiner or imposed by law and specifically excluding mining and milling costs);

(ii) Actual costs of transportation (including loading, freight, insurance security, transaction taxes, handling, port, demurrage, delay, and forwarding expenses incurred by reason of or in the course of such transportation) of Products from the Property to the place of treatment and then to the place of sale;

(iii) costs or charges of any nature for or in connection with insurance, storage, or representation at a smelter or refinery for Products; and

(iv) sales, use, ad valorem, value added, severance, export, import, excise, and any other tax on or measured by mineral production, but excluding taxes based on the Company's or the Royalty Holder's net income and excluding net proceeds of mines or other taxes imposed on both the Company and Royalty Holder.

(c) If Products are processed on or off the Property in a facility wholly or partially owned by the Company or a shareholder of the Company or by an affiliate of the Company or an affiliate of a shareholder of the Company, Allowable Deductions will not include any costs that are in excess of those which would be incurred on an arm's length basis, which would not be Allowable Deductions if those Products were processed by an independent third party.

3. Calculation and Payment of Royalty.

(a) The obligation to pay Royalty shall accrue upon the outturn of refined metals, on which Royalty is payable to the Company's account or the sooner sale of unrefined metals, doré, concentrates, ores or other Products, as hereinafter provided.

(b) Where outturn of refined metals is made by an independent third party refinery on a provisional basis, the Net Smelter Returns shall be based upon the amount of refined metal credited by such provisional settlement, but shall be adjusted in subsequent statements to account for the amount of refined metal established by final settlement by the refinery.

(c) Royalty shall become due and payable quarterly on the last day of the month next following the end of the quarter in which the same accrued. Royalty payments shall be accompanied by a statement showing in reasonable detail the quantities and grades of the refined Products produced and sold or deemed sold by the Company monthly; the average monthly price determined as herein provided for refined metals on which Royalty is due; Allowable Deductions; and other pertinent information in sufficient detail to explain the calculation of the Royalty payment. In the event any Royalty payment is not made with the time provided in this Section 3(c), Royalty Holder may give the Company notice in writing of such default, and unless within ten days after receipt of such notice Royalty Holder shall have received such payment, then the Company shall pay interest on the delinquent payment at the rate of twelve percent (12%) per annum which shall accrue from the day the delinquent payment was due to the date of payment of the required Royalty payment and accrued interest. Reasonable attorney fees and costs shall be paid to the prevailing party by the other party in the event of disputes arising over payments of royalties.

(d) All Royalty payments shall be considered final and in full satisfaction of all obligations of the Company with respect thereto, unless the Royalty Holder gives the Company written notice describing and setting forth a specific objection to the determination thereof within 12 months setting of receipt by the Royalty Holder of a Royalty statement. If the Royalty Holder objects to a particularly quarterly statement as herein provided, the Royalty Holder shall, for a period of 60 days after the Company's receipt of notice of such objection, have the right, upon reasonable notice and at reasonable time, to have the Company's accounts and records relating to the calculation of the Royalty in question audited by a representative or agent of the Royalty Holder. If such audit determines that there has been a deficiency or an excess in the payment made to the Royalty Holder such deficiency or excess shall be resolved by adjusting the next monthly Royalty payment or credit due hereunder. The Royalty Holder shall pay all costs of such audit unless a

deficiency of 5% or more of the amount determined by the Company to be due to the Royalty Holder is determined to exist. The Company shall pay the costs of such audit if a deficiency of 5% or more of the amount due is determined to exist. All books and records used by the Company to calculate Royalty due hereunder shall be kept in accordance with U.S. generally accepted accounting principles consistently applied. Failure on the part of the Royalty Holder to make claim on the Company for adjustment in such 12 month period shall establish the correctness and preclude the filing of exceptions thereto or making of claims for adjustment thereon; providing that nothing herein shall limit the time in which the Royalty Holder may commence a proceeding for fraud, concealment or misrepresentation.

(e) The Royalty shall be in addition to any other royalty due to a third party.

(f) The Company shall have the right of mixing or commingling, at any location and either underground or at the surface, any Products from the Property with any ores, metals, minerals, or mineral products from other lands, provided that the Company shall determine the weight or volume of, sample and analyze for grade and amenability to process all such Products and ores, metals, minerals and mineral products (including the recovery factor) before the same are so mixed or commingled. Any such determining of weight or volume, sampling and analytical practices and procedures applied by the Company shall be used as the basis of allocation of Net Smelter Returns payable to the Royalty Holder hereunder in the event of a sale by the Company of materials so mixed or commingled or of products produced therefrom. Prior to commencement of commercial production, the Company shall notify the Royalty Holder how the Company proposes to determine the weight or volume of, sample and analyze all such materials. The Royalty Holder may, within 30 days after receipt of such notice, object thereto in writing, specifying with particularity the grounds for such objection. If the Royalty Holder does not serve a timely objection, the Royalty Holder shall be deemed to have consented to procedures described in the Company's notice. If the Royalty Holder does object to the Company's proposed procedures within such 30 day period, the Company and the Royalty Holder shall attempt for a period of 15 days to reach agreement concerning the procedures to be used. If the Company and the Royalty Holder fail to reach agreement within such 15 day period, either party may initiate binding arbitration in accordance with the provisions of this Agreement, to determine the procedures to be used. Based on its operating experience, the Company may subsequently propose modifications to the approved procedures for determining the weight or volume of, sampling and analyzing ores or mineral products to be mixed or commingled, following the same procedures set forth above, including arbitration. Notwithstanding the foregoing, nothing herein shall require or permit the operations of the Company or its mixing or commingling or Products with any ores, metals, minerals or mineral products from other lands to be hindered, delayed or interrupted pending the determination of the procedures to be used.

(g) The Company may but need not engage in forward sales, future trading or commodity options trading, and other price hedging, price protection, and speculative arrangements ("Trading Activities") which may involve the possible delivery of base or precious metals produced from the Property. The parties acknowledge and agree that the Royalty Holder shall not be entitled to participate in the proceeds or be obligated to share in any losses generated by the Company's Trading Activities.

4. No Implied Covenants. The timing, nature, manner and extent of any exploration, development, mining, production and sale of Products, if any, shall be at the sole discretion of the Company. No implied covenants or conditions whatsoever shall be read into this NSR Agreement, including without limitation any covenants or conditions relating to exploration, development, prospecting, mining, production or sale of Products, except for the covenants of good faith and fair dealing.

5. Buy Back of Royalty. The Company shall have the right, exercisable at any time within twenty years after the Closing Date, to purchase up to one half of the Royalty (equal to a 1% of Net Smelter Returns) by payment to the Royalty Holder of US\$500,000 in cash. Upon payment of US\$500,000, the Royalty in this Royalty Agreement shall be reduced to 1% of Net Smelter Returns, effective as of the date of such payment and provided that Products produced before the date of such payment shall be subject to the 2% Royalty.

6. Conveyance. The Company shall have the right to convey the Property subject to the terms and conditions of that Letter Agreement between Company and Royalty Holder dated July 31, 2009. The Company shall require any transferee or assignee of any interest in the Property to assume in writing the obligation to pay the Royalty Holder the Royalty in accordance with the terms and conditions set forth herein, and upon such assumption, the Company shall be released from all liability hereunder with respect to the transferred interest in the Property, except for such liability as has accrued prior thereto. Any such transfer or conveyance which does not include such assumption language shall be void.

7. Assignment by Royalty Holder. The Royalty Holder may assign or convey its rights under this NSR Agreement; provided, however, that any change in ownership of the Royalty or any interest therein shall be accomplished in such manner that the Company shall not be required to make payments to or give notice to more than one person, firm, corporation, or entity. No change or division in the ownership of the Royalty, however accomplished, shall enlarge the obligations or diminish the rights of the Company.

8. Treatment of Product. The Company may, but shall not be obligated to, treat, mill, heap leach, sort, concentrate, refine, smelt, or otherwise process, beneficiate or upgrade the ores, concentrates, and other mineral product produced from the Property, at sites located on or off the Property, prior to sale, transfer, or conveyance to a purchaser, user or other consumer. The Company shall not be liable for mineral values lost in processing under sound practices and procedures, and no Royalty shall be due on any such lost mineral values.

9. Indemnity.

(a) The Company agrees that it will defend, indemnify, reimburse and hold harmless the Royalty Holder, its officers, directors, shareholders, employees and its successors and assigns (collectively the "indemnified parties"), and each of them, from and against any and all claims, demands, liabilities, actions and proceedings, and related expenses (including reasonable attorneys' fees) which may be made or brought against the Royalty Holder or which it may sustain, pay or incur that whosoever result from or relate to operations conducted on or in respect of the Property that result from or relate to the mining, handling, transportation, smelting or refining of the Products or the handling of transportation of the Products.

(b) The indemnity provided in Section 9(a) is limited to claims, demands, liabilities, actions and proceedings that may be made or taken against an indemnified party its capacity as or related to the Royalty Holder as a holder of the Royalty and will not include any indemnity in respect of any claims, demands, liabilities, actions and proceedings against an indemnified party in any other capacity.

(c) The indemnification procedures set forth in Section 2.5 of the Letter Agreement shall apply with respect to any indemnification obligation set forth in this NSR Agreement.

10. Inspections. Either Royalty Holder, or its authorized agents or representatives, on not less than five (5) days' notice to the Company, may enter upon the Property for the purpose of inspecting the Property, all improvements thereto and operations thereon, as well as inspecting and copying all records and data, including without limitation electronically-maintained records and data, pertaining to all activities and operations on or with respect to the Property. Any such entry or inspection shall be at the risk and expense of the party conducting the investigation (although the Company shall not be excused from liability for its negligence or misconduct), and may not unreasonably hinder operations on the Property. Royalty Holder shall defend, indemnify the Company against, and hold the Company harmless from, any damage, claim or demand and all expenses related thereto (including reasonable attorneys' fees) arising by reason of any injury to any person or property caused by their exercise of their rights in this Section 10, except to the extent such damage, claim or demand is caused by negligence or misconduct on the part of the Company.

11. Stockpiling. The Company may not stockpile, store or place Products off of the Property unless the Company has first secured from the property owner where such stockpiling, storage or placement is to occur a written agreement, in recordable form, that provides that the Royalty Holder's right to the Royalty on such Products shall be preserved. Such agreement shall provide that (a) the Royalty Holder's rights pursuant to this NSR Agreement shall continue in full force and effect with respect to Products from the Property; (b) the Royalty Holder's rights in and to the Products shall be the same as if the Products were situated on the Property; (c) the Royalty Holder's rights to the Products contained within the stockpiled material shall take precedence over the rights of the property owner (and/or of such property owner's creditors) to the stockpiled material; and (d) the "stockpiling" agreement referred to in this Section 11 shall be irrevocable as long as the Products from the Property, or any part thereof, remain on property which is not part of the Property.

12. Tailing and Residues. All tailing, residues, waste rock, spoiled leach materials, and other materials (collectively "Materials") resulting from the Company's operations and activities on the Property shall be the sole property of the Company, but shall remain subject to the obligation to pay the NSR Royalty should the same be processed or reprocessed, as the case may be, in the future and result in the production of Products. Notwithstanding the foregoing, the Company shall have the right to dispose of Materials from any property, whether on or off of the Property, and to commingle the same with Materials from other properties. In the event Materials are processed or reprocessed, as the case may be, the NSR Royalty applicable thereto shall be determined on a pro rata basis as determined by using the best engineering and technical practices then available.

13. Covenant Running With Land. All of the covenants, conditions, and terms of this NSR Agreement shall (a) be of benefit to the parties, (b) run as a covenant with the Property and the ground covered thereby (including any interest derived from the federal government in the event of the amendment or repeal of the General Mining Law of 1872), and (c) bind and inure to the benefit

of the parties and their respective successors and assigns (including any third party who acquires any interest in the Property). The NSR Royalty shall attach to any amendments, relocations or conversions of any of the unpatented mining claims comprising a portion of the Property, or any real property interests which replace those claims which are created by amendments to federal or state mining laws.

14. Time of Essence. Time is of the essence in this NSR Agreement.

15. Perpetuities. In the event a court of competent jurisdiction determines that the term or any other provision of this NSR Agreement violates the Rule Against Perpetuities, then the term of this Agreement shall automatically be revised and reformed to coincide with the maximum term permitted by the Rule Against Perpetuities, or such other provision shall automatically be revised and reformed as necessary to comply with the Rule Against Perpetuities, and this Agreement shall not be terminated solely as a result of a violation of the Rule Against Perpetuities.

16. Arbitration.

(a) Any dispute, controversy or claim arising out of or relating to this NSR Agreement or the subject matter hereof, or the breach, termination, or invalidity of this NSR Agreement, shall be settled by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA") in effect on the Effective Date, except as otherwise provided by this Section 16. Arbitration shall be the sole and exclusive forum for resolution of the dispute, controversy or claim, and the arbitrator's award shall be final and binding to the extent permitted by law. Judgment thereon may be entered by any court having jurisdiction.

(b) There shall be one arbitrator appointed by the parties. If the parties fail to agree on a single arbitrator within 20 days after arbitration is initiated, there shall be a single arbitrator appointed by AAA. The arbitrator shall be disinterested in the dispute, controversy or claim and shall have no connection with any party and shall, in the judgment of AAA, be qualified by education and experience to hear and determine the matter submitted to arbitration. Time is of the essence of the appointment of an arbitrator.

(c) The arbitration need not be administered, but should the services of an appointing or administering authority be necessary, the appointing or administering authority shall be the AAA.

(d) The place of arbitration shall be Reno, Nevada, unless otherwise agreed by the parties. The arbitration shall be conducted in the English language and any foreign language documents presented at such arbitration shall be accompanied by an English translation thereof. The arbitrator shall apply the law as made applicable by the Agreement.

(e) For purposes of arbitration only, the parties consent that the United States District Court for the District of Nevada and the courts of record of the County of Washoe and the State of Nevada shall have jurisdiction and venue with respect to all aspects of the enforcement of the arbitration provisions of this NSR Agreement.

(f) Unless the procedure for discovery is otherwise agreed to by the parties, the arbitrator, at the request of a party, may establish rules for pre-hearing discovery which shall

comport with due process, expeditious determination of the issues and fairness. Unless otherwise agreed by the parties, the depositions of no more than four witnesses on each side may be taken without the consent of the arbitrator(s). The Federal Rules of Civil Procedure and the Federal Rules of Evidence shall govern all aspects of the depositions, including admissibility.

(g) The decision in the arbitration shall be rendered, unless otherwise agreed by the parties, no later than 30 days after the date the hearings were closed. The decision of the arbitrator shall be in writing, shall be a reasoned decision that states the basis for the award, shall be signed by the arbitrator, and shall be final and binding on the parties. If the parties settle the dispute in the course of arbitration, such settlement shall be approved by the arbitrator on request of either party and become the award. The arbitrator shall have authority to award any remedy or relief that a court of the State of Nevada could order or grant, including awarding attorneys' fees to the prevailing party in the arbitration proceeding. In making monetary awards, the arbitrator is empowered to award only compensatory damages. Each party hereby irrevocably waives any damages in excess of compensatory damages, including a waiver of any punitive or multiple damages. The arbitrator may, in his or her discretion, grant pre-award interest, and if so, such interest may be at commercial rates during the relevant periods. The arbitrator may, in the course of proceedings, order any provisional remedy or conservatory measure, including but not limited to attachment, specific performance, preliminary injunction or the deposit of specified security, considered to be necessary, just and equitable. The failure of a party to comply with such an interim order, after due notice and opportunity to cure such noncompliance, may be treated by the arbitrator as a default and all or some of the claims or defenses of the defaulting party may be stricken and partial or final award entered against such party, or the arbitrator may award such lesser sanctions deemed appropriate. A request for interim or provisional relief to a court shall not be deemed incompatible with the agreement to arbitrate or as a waiver of that agreement.

(h) Prior to rendering a final award, the arbitrator shall submit to the parties an unsigned draft of the proposed award (exclusive of any award of costs and attorneys fees) and each party within three business days after receipt of such draft award, may serve on the other parties to the arbitration and file with the arbitrator: (i) a written statement outlining any claimed errors of fact, law computation or otherwise; and (ii) a certification by the party's counsel of the costs and attorneys' fees directly expended in the arbitration. Within three business days after receipt of the written statement of each party to the arbitration, the arbitrator shall render a final award. The award shall briefly state the reasoning on which it rests.

(i) All deadlines specified in this Section 16 may be extended by mutual written agreement of the parties.

(j) Each party is required to continue to perform its obligations under this letter agreement pending final resolution of any dispute.

(k) The procedures specified in this Section 16 will be the sole and exclusive procedures for the resolution of disputes between the parties arising out of or relating to this letter agreement; provided, however, that, prior to the appointment of the arbitrator, a party may

seek a preliminary injunction or other preliminary judicial relief in the courts of the State of Nevada if in the judgment of that party such action is necessary to avoid irreparable damage or to preserve the status quo. Despite the initiation of any such judicial proceedings, the parties will continue to participate in good faith in the procedures specified in this Section 16.

(1) Before accepting the position of arbitrator, the individual appointed shall set forth the basis for establishing his or her fees for the arbitration. Such basis shall be according to reasonable rates for hourly fees charged by such individual in the normal exercise of his or her profession. Except as otherwise awarded by the arbitrator, the parties shall each bear their own attorneys' fees and costs and one-half of the administrative costs and arbitrator's fees of any arbitration proceeding.

Re: Unpatented Mineral Claims Ownership Transfer

Dear Sir/Madam,

RECEIVED
BLM AZ STATE OFFICE

2012 MAR 28 P 1:22

PHOENIX, ARIZONA

We are contacting you to arrange for transfer of ownership of 112 unpatented claims from NewWest Gold Corp. to Golden Fame (USA) Inc., which form part of our Gold Ridge property in Cochise County, Arizona. In November 2008, NewWest Gold Corp. (NewWest) changed their name to Fronteer Development (USA) Inc. (Fronteer). Subsequently, in June of 2010, Golden Fame purchased the unpatented claims from Fronteer, however it appears that the BLM were never officially notified of the change in ownership and thus the claims still remain under the name of NewWest Gold, a company which no longer exists. Fronteer were acquired by Newmont Mining Corporation in 2011 and therefore also no longer exist as a corporation. I have contacted Newmont's Land Department, who sent us a copy of the Notice of Name Change from NewWest to Fronteer, which I also attach here. I also include as supporting documentation the Bargain and Sale Deed and Release agreement from June 2010, confirming the final sale of the claims from Fronteer to Golden Fame.

Table 1 below is a list of the 112 unpatented claims which need to be re-registered under the name of Golden Fame (USA) Inc as follows:

Subject Re: NewWest Gold claims in AZ

Mr. Felder,

I was able to update the address in our database; Apparently, the list of claims that you attached to this message had:

NEWWEST GOLD CORP, 1658 COLE BLVD BLDG 6 #210 LAKEWOOD, CO 80401; AS A LISTED CLAIMANT. THEREFORE, THE ADDRESS WAS UPDATED.

Should the above listed Company name need to be changed to: NEW WEST GOLD USA INC., then the proper procedure should be followed. You may contact Amy Bunda, our Senior Land Law Examiner at: 602-417-9334, or via email at: Amy_Bunda@blm.gov. She will tell you exactly what is needed to get the company name changed.

**SPECIAL WARRANTY DEED
(DOS CABEZAS PATENTED AND
UNPATENTED MINING CLAIMS AND FEE LANDS)**

THIS SPECIAL WARRANTY DEED (the "Deed") is made effective as of June 30, 2005, by and between Western States Minerals Corporation, a Utah corporation, whose address is 1658 Cole Boulevard, Building No. 6, Suite 210, Lakewood, Colorado 80401 ("WSMC"), and NewWest Gold Corporation, a Delaware corporation, whose address is 1658 Cole Boulevard, Building No. 6, Suite 210, Lakewood, Colorado 80401 ("NWGC").

FOR GOOD AND VALUABLE consideration, the receipt and sufficiency of which are hereby acknowledged, WSMC does hereby grant, bargain and sell unto NWGC, its successors and assigns forever, all of its undivided right, title and interest in and to those patented and unpatented mining claims (collectively, the "Claims") situated in Cochise County, Arizona, as more particularly described in Exhibit A attached hereto and incorporated herein by reference.

TOGETHER WITH all of the undivided right, title and interest in all lodes, ledges, veins and mineral bearing rock, both known and unknown, lying within the boundaries of the Claims, all extralateral rights related thereto, all dips, spurs, and angles, and all the ores, mineral-bearing quartz, rock and earth or other deposits in or on the Claims and all of the rights, privileges and franchises incident to the Claims, and all and singular the tenements and hereditaments thereunto or in anywise appertaining, and the rents, issues and profits thereof; and also all of the undivided right, title, interest, property, possession, claim and demand whatsoever, as well in law as in equity of WSMC, of, in or to the Claims and every part and parcel thereof, including all after acquired title, and all easements, rights-of-way, water and water rights associated therewith.

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged and confirmed, WSMC does also hereby grant, bargain and sell unto NWGC, its successors and assigns forever, all of the right, title and interest of WSMC in

and to the metalliferous minerals (including without limitation (including without limitation gold, silver, copper, lead, zinc, nickel, molybdenum, mercury, platinum, palladium and other platinum-group minerals, uranium, vanadium, tin and tungsten) within those parcels of fee land in Cochise County, Arizona, as more particularly described in Exhibit A (the "Fee Lands"), including without limitation all by-products and co-products thereof, whether or not now known to exist or to have value, of whatever form or type, at whatever depth in whatever nature of deposit, and regardless of the method of extraction, whether by mining by subterranean, open-pit, surface, or strip mining, surface or subsurface leaching, in-situ methods or any other means or methods now or hereafter known or employed (collectively, the "Metalliferous Minerals"); together with the privilege to construct, use, maintain, repair, replace and relocate on the Fee Lands such buildings, roads, tunnels, railroad corridors or loadout facilities, conveyors, tailing ponds, waste dumps, ditches, pipelines, power and communication lines, structures, mills, leach pads, processing facilities, utilities and other improvements and facilities as may be required for the full enjoyment and exploitation of the Metalliferous Minerals; and together with all rights of access and surface use necessary for or incident to the exploration for, development of, extraction, mining, removal, treatment, processing, marketing, shipping, transporting or otherwise disposing of the Metalliferous Minerals; and the right to use, cave, and destroy the surface and subsurface of the Fee Lands in connection with exploration for and development, extraction, mining, removal, treatment, processing, marketing, shipping or transporting of Metalliferous Minerals on or from the Fee Lands, in such a manner and by such methods as NWGC sees fit in its sole discretion.

TO HAVE AND TO HOLD unto NWGC, its successors and assigns, the Metalliferous Minerals within the Fee Lands, together with all and singular the rights, privileges, and appurtenances thereunto belonging or in any way appertaining, including all water, stockwatering, reservoir and other water rights associated therewith, and all after-acquired title.

WSMC acknowledges and agrees that NWGC desires to conduct mineral exploration, development, extraction, removal, treatment, processing, marketing, shipping and transporting activities on the Fee Lands and on other properties in the vicinity of the Fee Lands (including, without limitation, the Claims) in the future, and that, pursuant to this Deed, NWGC, its representatives, successors and assigns shall have the right to conduct all such activities as they may desire, in such a manner as they may desire. WSMC further acknowledges and agrees that any uses of the surface of the Fee Lands by WSMC, its representatives, successors or assigns, shall at all times be subordinate to NWGC's rights to use the surface of the Fee Lands for such activities, in such a manner as NWGC deems necessary in its sole discretion, with no obligation on the part of NWGC to accommodate in conducting its activities WSMC's use of the surface of the Fee Lands.

WSMC and NWGC confirm and agree that the rights to use the surface of the Fee Lands conveyed by WSMC to NWGC pursuant to this Deed, and the waiver of rights by WSMC set forth above, shall be covenants running with the Metalliferous Minerals, shall be binding upon and inure to the benefit of the parties to this Deed and their respective successors and assigns, and shall attach and apply to any subsequent conveyances of all or any portion of the Metalliferous Minerals or the Fee Lands. WSMC and NWGC further acknowledge that NWGC's successors or assigns of all or any portion of the Metalliferous Minerals may desire written confirmation of their rights to use the surface of the Fee Lands and WSMC's waiver of

certain rights with respect thereto as set forth in this Deed, and WSMC agrees to execute such additional confirmation documents for the benefit of those successors and assigns as NWGC may reasonably request.

TO HAVE AND TO HOLD all and singular the entire undivided interest in the Claims and the Metalliferous Minerals (collectively, the "Property"), unto NWGC, its successors and assigns forever. The parties acknowledge and agree that the conveyance of the Property from WSMC to NWGC made pursuant to this Deed is made subject to all exceptions, limitations and reservations of record and pertaining to the Property, and that the Property is burdened by the obligation to pay a production royalty to Western States Royalty Corporation, a Delaware corporation ("WSRC") pursuant to that Royalty Deed and Assignment of Overriding Royalty Interest from WSMC to WSRC of dated June 27, 2005.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

Terms And Conditions

Definitions On this Airbill, "we," "our," and "us" refer to Federal Express Corporation, its employees, and agents. "You" and "your" refer to the sender, its employees, and agents.

Agreement To Terms By giving us your package to deliver, you agree to all the terms on this Airbill and in our current Service Guide, which is available on request. You also agree to those terms on behalf of any third party with an interest in the package. If there is a conflict between the Service Guide and this Airbill, the Service Guide will control. No one is authorized to change the terms of our Agreement.

Responsibility For Packaging And Completing Airbill

You are responsible for adequately packaging your goods and properly filling out this Airbill. If you omit the number of packages and/or weight per package, our billing will be based on our best estimate of the number of packages we received and/or an estimated "default" weight per package as determined by us.

Responsibility For Payment Even if you give us different payment instructions, you will always be primarily responsible for all delivery costs, as well as any cost we incur in either returning your package to you or warehousing it pending disposition.

Limitations On Our Liability And Liabilities Not Assumed

- Our liability in connection with this shipment is limited to the lesser of your actual damages or \$100, unless you declare a higher value, pay an additional charge, and document your actual loss in a timely manner. You may pay an additional charge for each additional \$100 of declared value. The declared value does not constitute, nor do we provide, cargo liability insurance.
- In any event, we will not be liable for any damage, whether direct, incidental, special, or consequential, in excess of the declared value of a shipment, whether or not Federal Express had knowledge that such damages might be incurred, including but not limited to loss of income or profits.

We won't be liable:

- for your acts or omissions, including but not limited to improper or insufficient packing, securing, marking, or addressing, or those of the recipient or anyone else with an interest in the package.
- if you or the recipient violates any of the terms of our Agreement.
- for loss of or damage to shipments of prohibited items.
- for loss, damage, or delay caused by events we cannot control, including but not limited to acts of God, perils of the air, weather conditions, acts of public enemies, war, strikes, civil commotions, or acts of public authorities with actual or apparent authority.

Declared Value Limits

- The highest declared value allowed for a FedEx Envelope or FedEx Pak shipment is \$500.
- For other shipments, the highest declared value allowed is \$50,000 unless your package contains items of extraordinary value, in which case the highest declared value allowed is \$500.
- Items of extraordinary value include shipments containing such items as artwork, jewelry, furs, precious metals, negotiable instruments, and other items listed in our Service Guide.
- You may send more than one package on this Airbill and fill in the total declared value for all packages, not to exceed the \$100, \$500, or \$50,000 per package limit described above. (Example: 5 packages can have a total declared value of up to \$250,000.) In that case, our liability is limited to the actual value of the package(s) lost or damaged, but may not exceed the maximum allowable declared value(s) or the total declared value, whichever is less. You are responsible for proving the actual loss or damage.

Filing A Claim YOU MUST MAKE ALL CLAIMS IN WRITING and notify us of your claim within strict time limits set out in the current Service Guide.

You may call our Customer Service department at 1.800.GoFedEx 1.800.463.3339 to report a claim; however, you must still file a timely written claim.

Within 45 days after you notify us of your claim, you must send us all the information you have about it. We aren't obligated to act on any claim until you have paid all transportation charges, and you may not deduct the amount of your claim from those charges.

If the recipient accepts your package without noting any damage on the delivery record, we will assume the package was delivered in good condition. For us to process your claim, you must make the original shipping cartons and packing available for inspection.

Right To Inspect We may, at our option, open and inspect your packages before or after you give them to us to deliver.

Right Of Rejection We reserve the right to reject a shipment when such shipment would be likely to cause delay or damage to other shipments, equipment, or personnel; or if the shipment is prohibited by law; or if the shipment would violate any terms of our Airbill or our current Service Guide.

C.O.D. Services C.O.D. SERVICE IS NOT AVAILABLE WITH THIS AIRBILL. If C.O.D. Service is required, please use a Federal Express C.O.D. Airbill.

Air Transportation Tax Included A federal excise tax when required by the Internal Revenue Code on the air transportation portion of this service, if any, is paid by us.

Money-Back Guarantee In the event of untimely delivery, Federal Express will, at your request and with some limitations, refund or credit all transportation charges. See current Service Guide for more information.
