### MINING CLAIMS DECLARED FORFEITED

The mining claims listed above have been declared forfeited for failure to file the required maintenance fee payment or submit an acceptable small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 (United States Code) 28f-1, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records show receipt of a small miner's waiver received on or before September 1, 2018, for the 2019 assessment year, for the claims listed above, however, there were defects on the waiver and it was not acceptable as submitted. A Notice requiring that the defects be cured was mailed to the above address by certified mail. The corrected documents were required to be filed within 60 days of the date the Notice was either received or returned to this office unclaimed or undeliverable. The 60 day timeframe allowed has expired and no corrections have been received. Therefore, the claims are forfeited.

### Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability.

If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

### Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

TRANSFERRED CLAIM UNDER A WAIVER – AFFIDAVIT REQUIRED

Amc 381089

**Please be aware that the claims transferred to you are under a small miner waiver for the 2012 assessment year.**

**That means that on or before December 30, 2012, you MUST file an Affidavit of Labor stating that the required work has been done during the 2012 assessment year. (The 2012 assessment year began on September 1, 2011, and ends on September 1, 2012).**

**When the previous owner filed the waiver, it created the requirement for the Affidavit of Labor and it does not end just because the claim was sold. At least \$100 of work must be done on each claim between September 1, 2011, and September 1, 2012. If the previous owner has done the work, they can file the Affidavit of Labor and pay the \$10 per claim processing fee. Or, you, as the new owner can file the Affidavit of Labor. If you are doing the work, list that on the Affidavit. If the previous owner did the work, you can list what they did and who did it, and file the Affidavit and pay the \$10 per claim processing fee yourself. Be careful if relying on the previous owner, as they don't always follow through.**

**If the Affidavit of Labor is not filed on or before December 30, 2012, the claims will be declared forfeited and closed.**

**WHEN FILING MINING CLAIM DOCUMENTS ALWAYS INCLUDE YOUR "AMC" MINING CLAIM SERIAL NUMBER(S).**

For additional information see our website at [www.blm.gov/az](http://www.blm.gov/az) or call the public room at 602-417-9200.

## DECISION VACATED

The decision dated April 03, 2019, declaring the above listed claim forfeited for failure to timely file the required maintenance fee payment, or submit an acceptable small miner's maintenance fee waiver, along with a properly executed notarized power of attorney document is hereby vacated.

Upon further investigation, we have obtained proof of a timely filed 2019 waiver with a notarized power of attorney document, signed and executed on October 11, 2018, by Marion Ekholm. Therefore, our records have been updated to show the claim in current status.

If additional information is required, please contact Pauline Brown at 602-417-9360. Please include your AMC serial number(s) on all correspondence.

**NOTICE/BURDEN HOURS STATEMENT**

The Privacy Act of 1974, *as amended*, and the regulation in 43 CFR 2.48(d) provide that you be furnished the following information in connection with the information required by this certification of waiver from rental fees.

**AUTHORITY:** 30 U.S.C. 28-28k; 43 U.S.C. 1201, 1457, 1740, and 1744; and 43 CFR 3830.

**PRINCIPLE PURPOSE:** This information is to be used to verify that the owner(s) (claimants) of a mining claim has complied with 30 U.S.C. 28f and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

**ROUTINE USE:** (1) Adjudication of the claimant(s) certification of waiver from paying the maintenance fee otherwise required by 30 U.S.C. 28f. (2) Disclosure may be made to appropriate Federal agencies when location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St., N.W., Washington, D.C. 20240.

(3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

**EFFECT OF NOT PROVIDING INFORMATION:** Disclosure of this information is required by 30 U.S.C. 28f and 43 CFR Part 3830 for those qualified claimants wishing to take the small miner waiver allowed. Failure to supply the information required in this form to support the claimants certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims subject to forfeiture by BLM under 30 U.S.C. 28i.

The Paperwork Reduction Act of 1995 requires us to inform you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim or site maintenance fee established in 30 U.S.C. 28f and the implementing regulations at 43 CFR 3830. A response to this request is required in accordance with the statute to obtain your benefit.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.

Public reporting burden for this form is estimated to average 20 minutes (.33 hours) per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the U.S. Department of the Interior, Bureau of Land Management, (1004-0114) Bureau Information Collection Clearance Officer (WO-630), Mail Stop 401 LS, 1849 C St, N.W., Washington, D.C. 20240.

Ms Brown,

I have reached out to Ms.Ekholm. She has agreed to sign a QuitClaim deed but won't be able to sign until tomorrow. I will file the deed with the Yavapai County recorder and send a copy to your attention as well.

Great, thanks for the update,

**Be mindful that the Quit Claim Deed (QCD) MUST:**

- a) Include the original signature of the owner who is transferring their interest. The signature of the person transferring their interest must be **notarized**.
  - b) Include the AMC serial number(s) and correct claim name(s) of the mining claim(s) being transferred.
  - c) Include name and mailing address of grantee.
  - d) Include the proper fee of \$15 per mining claim per grantee.
- QCD's Should Be filed with the county.

When we receive the QCD, Amy will assign it to whomever she will appoint to process it. You do not have to address it to my attention. The only thing you need to address to my attention is the corrected notarized POA for AMC381089.

That looks fine to me, you may want to turn in your new waiver for 2020 at the same time. If that is what you and your co-claimant want to file. As soon as we get an adequate notarized QCD, the claim will be transferred to the grantee.

Regards,

## DECISION VACATED

The decision dated April 03, 2019, declaring the above listed claim forfeited for failure to timely file the required maintenance fee payment, or submit an acceptable small miner's maintenance fee waiver, along with a properly executed notarized power of attorney document is hereby vacated.

Upon further investigation, we have obtained proof of a timely filed 2019 waiver with a notarized power of attorney document, signed and executed on October 11, 2018, by Marion Ekholm. Therefore, our records have been updated to show the claim in current status.

If additional information is required, please contact Pauline Brown at 602-417-9360. Please include your AMC serial number(s) on all correspondence.
