ORDER

Elijah Wencil appealed a December 17, 2019, decision issued by the Deputy State Director, Division of Lands, Minerals, and Energy, Arizona State Office, Bureau of Land Management (BLM). In the decision, the Deputy State Director declared the Gold Treasure II and Goldenhawk 5 association placer mining claims (AMC-395797 and AMC-400507) forfeited for failure to pay annual maintenance fees for the 2020 assessment year.

SUMMARY

A person holding an unpatented mining claim must pay a maintenance fee for the claim by September 1 of each year. If the claimant fails to do so, the claim is forfeited by operation of law. Here, the record shows that although Mr. Wencil timely submitted payment for his claims, the bank did not honor his check because the account on which the check was drawn was closed. In that situation, BLM properly determined that the maintenance fees were not paid and declared the claims forfeited. We therefore affirm BLM's decision.

BACKGROUND

A. The Requirement to Timely Pay Annual Maintenance Fees

Under applicable law, a person who holds an unpatented mining claim must pay a yearly maintenance fee on or before September 1 of each assessment year.¹ The

¹ 30 U.S.C. § 28f(a) (2018); 43 C.F.R. §§ 3830.21(d), 3834.11(a)(2) (2019).

“assessment year” is the twelve-month period beginning at noon on September 1 each year.² A claimant who does not pay a maintenance fee by the deadline automatically forfeits the mining claim as a matter of law.³ Although a mining claimant may qualify for a waiver of annual maintenance fees under certain conditions, no waivers are at issue in this appeal.⁴

B. BLM's Decision

Here, Mr. Wencil was required to pay maintenance fees for his two association placer mining claims by September 3, 2019, for the 2020 assessment year.⁵ In its decision, BLM declared the claims forfeited for failure to pay these fees by the deadline.⁶ BLM stated in its decision that although it received a check from Mr. Wencil paying the fees for his claims before the deadline, “the check/credit card was not honored by your bank and was returned to us for insufficient funds.”⁷ BLM explained that under the applicable regulations, when a bank does not honor payment, this “is considered to be a nonpayment of the charges or fees.”⁸ It therefore declared the two claims forfeited by operation of law.

² 43 C.F.R. § 3830.5 (2019) (defining “assessment year”).

³ 30 U.S.C. § 28i (2018) (failure to pay maintenance fee “shall conclusively constitute a forfeiture of the unpatented mining claim, mill or tunnel site by the claimant and the claim shall be deemed null and void by operation of law”); 43 C.F.R. § 3830.91(a)(3) (2019) (forfeiture for failure to pay the annual maintenance fee on or before the due date).

⁴ See 43 C.F.R. § 3835.1(b) (2019) (types of waivers).

⁵ See *id.* § 1822.14 (2019) (when a due date is a day the BLM office is officially closed, “BLM considers the document timely filed if we receive it in the office on the next day it is officially open”). In 2019, September 1 was a Sunday and September 2 was a Federal holiday (Labor Day).

⁶ BLM Arizona State Office Decision, Mining Claims Declared Forfeited at 1 (Dec. 17, 2019).

⁷ *Id.*

⁸ *Id.* (citing 43 C.F.R. § 3830.23(b) (2019) (providing that “[i]f the issuing institution of your check, negotiable instrument, or credit card refuses to pay and it is not because the institution made a mistake, BLM will treat the service charges and fees as unpaid”).

DISCUSSION

On appeal, Mr. Wencil has the burden to show that BLM erred in declaring the claims forfeited.⁹ He has not met that burden.

The record shows that BLM received Mr. Wencil's check paying a total of \$1980 in fees for his two claims on August 27, 2019.¹⁰ The record also shows that the account on which the check was drawn was "closed."¹¹

Under BLM's regulations and Board precedent, a mining claimant will be deemed to have failed to comply with the requirement to pay maintenance fees when the payment is properly dishonored by the bank.¹² In his appeal, Mr. Wencil acknowledges that his check was "bad," and that the reason the bank did not honor his check was that his "accounts were all closed due to identity theft attempt."¹³ He states that after he closed his bank accounts he mistakenly used a check from a closed account to pay the maintenance fees for his claims.¹⁴

Because Mr. Wencil's payment was properly not honored by his bank, BLM properly determined that the payment had not been made and declared the claims forfeited by operation of law. While Mr. Wencil's situation is unfortunate, neither this Board nor BLM is authorized to excuse a mining claimant's lack of compliance with the maintenance fee requirement, extend the time for compliance, or afford any relief from the automatic claim forfeiture provisions in the law.¹⁵

Mr. Wencil may relocate the claims if there are no intervening rights and the land remains open to mineral location.

¹⁰ Maintenance Fee Payment (date-stamped received by BLM on Aug. 27, 2019); Receipt No. 4547562 (Aug. 29, 2019).

¹¹ Debit Voucher with the remark "Closed Account" (Sept. 9, 2019).

¹² See 43 C.F.R. § 3830.23(b) (2019); *Beverly D. Glass*, 167 IBLA 388, 393 (2006); *Loco Mining Co.*, 155 IBLA 153, 155 (2001).

¹⁴ Statement of Reasons at 1-2 (filed Feb. 21, 2020).

¹⁵ *Kenneth Pedersen*, 187 IBLA 130, 133 (2016).

CONCLUSION

Because Mr. Wencil did not pay the required maintenance fees for his claims for the 2020 assessment year by the deadline, his claims were automatically forfeited. Accordingly, pursuant to the authority delegated to the Board of Land Appeals by the Secretary of the Interior,¹⁶ we affirm BLM's December 17, 2019, decision.

I wish to submit this notice of appeal for my 2 mining claims that have been declared forfeited. The claims are AMC395797 Gold Treasure 11 and AMC400507 Golden Hawks. The reason for my appeal is my accounts were all closed due to identity theft attempt. I will send supporting documents to show why the check I sent for my mining claims fees was bad. GOLD TREASURE II

Mining Claims Declared Forfeited

The mining claims listed above have been declared forfeited as of September 1, 2019, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual maintenance fee of \$165 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 Code of Federal Regulations (CFR) 3834.11(2), 3835.10, and 3830.91(a).

Our records do show receipt of a maintenance fee payment on or before September 3, 2019 (due to weekend and holiday); however, the check/credit card was not honored by your bank and was returned to us for insufficient funds. In accordance with 43 CFR 3830.23(b), a check/credit card submitted for payment of charges and/or fees which is not honored, is considered to be a nonpayment of the charges or fees.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands encompassed by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For lands administered by the BLM, if you fail to reclaim the lands to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs BLM incurs in removing and disposing of the property.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

2013 Maintenance Fees - Additional Fees Required

Your maintenance fee payment for the 2013 assessment year, in the amount of \$140 per claim, for the placer claims listed above, has been received and is insufficient. **The total due on your claim(s) is: \$1400.**

In accordance with the Consolidated Appropriations Act of 2012, Public Law 112-74 (125 Stat 1047), and FR44155-44158 (2012) Congress changed the way maintenance fees for placer mining claims are assessed. Instead of charging the maintenance fee on a per-claim basis, Congress stated that the fee, which is currently \$140, will be assessed on each 20 acre parcel of a placer claim or portion thereof.

Insufficient payment of the annual maintenance fee for the 2013 assessment year is a curable defect. **Therefore you are required to do one of the following within 30 days of receipt of this notice or your claim(s) will be declared forfeited:** 1) submit additional fees of \$140 per 20-acres or portion thereof based on the full acreage of the claim, or 2) amend the claim(s) to reduce the acres so a lesser fee is due and submit any additional fees due; or 3) relinquish the claim(s) in their entirety, in which case BLM will refund the maintenance fees you have already paid for the 2013 assessment year.

If you choose to amend the claims to reduce the acres, you must submit an amended location notice for each claim, with an accurate description and dimensions of the reduced claim, along with a map depicting the reduced claim, and a \$10 processing fee per amendment. An amendment must also be recorded at the county. If the amended claim contains more than 20 acres, calculate the additional fees due and submit those fees with the amendment(s).

Locator Requirements for
Association Placer Mining Claims

The Bureau of Land Management (BLM), Arizona State Office received your location notice for the association placer mining claim listed above. The claim has 8 locators and is 160 acres in size. The names listed above were included as the locators of this claim.

The purpose of this letter is to remind you that you must be qualified to locate an association placer mining claim and that your mining claim must conform to the requirements of Federal law, 30 U.S.C. §§ 35, 36, and regulations 43 CFR 3832.22. These laws allow the location of mining claims greater than 20 acres so long as each of the locators has a bona fide interest in the claims, and has located the claims independently, for their own self-interest, and in good faith.

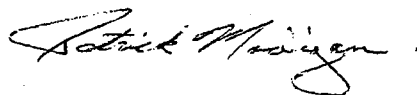

The law is well established that a person cannot use the names of his friends, relatives, or employees as dummy locators in order to locate for his own benefit a greater area of placer ground than is allowable by law. A claim located using dummy locators is not a valid mining claim.

By recording these documents with BLM you are representing to the United States government that you meet the qualifications for locating an association placer claim and that you are not using the names of other persons as dummy locators (fictitious locators) to locate more than 20 acres per claim for your own benefit. In accordance with 43 CFR 3830.9, if you file a document that you know contains false, erroneous, or fictitious information or statements, you may be subject to criminal penalties under 18 U.S.C. 1001 and 43 U.S.C. 1212. The maximum penalty is 5 years in prison and/or a fine of \$250,000.

If, after reviewing the information in this letter you determine that you do not, in fact, qualify to locate an association placer mining claim, please relinquish the association placer mining claims and relocate as an individual placer mining claim under 43 CFR 3832.22(b).

In accordance with 43 CFR 3833.33, you may transfer, sell, or otherwise convey an association placer mining claim at any time to an equal or greater number of mining claimants. If you want to transfer an association placer claim to an individual or an association that is smaller in number than the association that located the claim you – a) must have discovered a valuable mineral deposit before the transfer; or b) upon notice from BLM, you must reduce the acreage of the claim, if necessary, so that you meet the 20-acre per locator limit. Per 43 CFR 3830.5, a discovery means that you have found a valuable mineral deposit. Any association placer claim transferred that does not meet these requirements is not a valid mining claim.

If you have any questions please contact Amy Bunda at 602-417-9334.

2013 Maintenance Fees - Additional Fees Required

Your maintenance fee payment for the 2013 assessment year, in the amount of \$140 per claim, for the placer claims listed above, has been received and is insufficient. **The total due on your claim(s) is: \$1400.**

In accordance with the Consolidated Appropriations Act of 2012, Public Law 112-74 (125 Stat 1047), and FR44155-44158 (2012) Congress changed the way maintenance fees for placer mining claims are assessed. Instead of charging the maintenance fee on a per-claim basis, Congress stated that the fee, which is currently \$140, will be assessed on each 20 acre parcel of a placer claim or portion thereof.

Insufficient payment of the annual maintenance fee for the 2013 assessment year is a curable defect. **Therefore you are required to do one of the following within 30 days of receipt of this notice or your claim(s) will be declared forfeited:** 1) submit additional fees of \$140 per 20-acres or portion thereof based on the full acreage of the claim, or 2) amend the claim(s) to reduce the acres so a lesser fee is due and submit any additional fees due, or 3) relinquish the claim(s) in their entirety, in which case BLM will refund the maintenance fees you have already paid for the 2013 assessment year.

If you choose to amend the claims to reduce the acres, you must submit an amended location notice for each claim, with an accurate description and dimensions of the reduced claim, along with a map depicting the reduced claim, and a \$10 processing fee per amendment. An amendment must also be recorded at the county. If the amended claim contains more than 20 acres, calculate the additional fees due and submit those fees with the amendment(s).

This Decision Affects the Claims
Shown in the Block Below.

AMC385929
Gold Treasure #11

Mining Claim(s) Declared Null and Void Ab Initio Subject to Compliance

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recording mining claims. In accordance with 43 CFR 3832.12, the claim(s) listed above cannot be accepted as filed and is/are declared null and void ab initio unless they are amended as noted below.

Excess Acreage

Lode claim dimensions cannot exceed 1500 feet x 600 feet (20 acres).

Placer claims cannot exceed 20 acres per individual locator, up to a maximum of 160 acres (with 8 locators). If a claim includes lots the lots must be included in the claim description. Complete lots must be included (they cannot be split) and if they cause the claim to encompass more than 160 acres, they must be excluded.

Inadequate legal description – we cannot tell from the location notice or the map where the claim is located. You must describe the claim by state, meridian, township, range, section, complete lots, and by aliquot part to the quarter section. The map should clearly show the boundaries of both the section and quarter section, and should depict where within the quarter section the claim lies.

No map provided – you must show on a map or sketch the boundaries and position of the individual claim or site by aliquot part within the quarter section accurately enough for BLM to identify the mining claims or sites on the ground.
