### 2013 Maintenance Fees - Additional Fees Required

Your maintenance fee payment for the 2013 assessment year, in the amount of \$140 per claim, for the placer claims listed above, has been received and is insufficient. **The total due on your claim(s) is: \$87,700.**

In accordance with the Consolidated Appropriations Act of 2012, Public Law 112-74 (125 Stat 1047), and FR44155-44158 (2012) Congress changed the way maintenance fees for placer mining claims are assessed. Instead of charging the maintenance fee on a per-claim basis, Congress stated that the fee, which is currently \$140, will be assessed on each 20 acre parcel of a placer claim or portion thereof.

Insufficient payment of the annual maintenance fee for the 2013 assessment year is a curable defect. **Therefore you are required to do one of the following within 30 days of receipt of this notice or your claim(s) will be declared forfeited:** 1) submit additional fees of \$140 per 20-acres or portion thereof based on the full acreage of the claim, or 2) amend the claim(s) to reduce the acres so a lesser fee is due and submit any additional fees due; or 3) relinquish the claim(s) in their entirety, in which case BLM will refund the maintenance fees you have already paid for the 2013 assessment year.

If you choose to amend the claims to reduce the acres, you must submit an amended location notice for each claim, with an accurate description and dimensions of the reduced claim, along with a map depicting the reduced claim, and a \$10 processing fee per amendment. An amendment must also be recorded at the county. If the amended claim contains more than 20 acres, calculate the additional fees due and submit those fees with the amendment(s).

11/21/12 AT

Please include your Arizona Mining Claim (AMC) serial number(s) and claim name(s) when submitting the additional fees, and note that you are paying additional fees due. If additional information is required, please contact Amy Thrower at 602-417-9334.
