All 39 of these mining claims were filed at the same time, 10 in the name of Charles Bowen, 10 in the name of Raymond Deere, and 19 in the name of Keith Bowen. All of the location notices were filled out and signed by Keith Bowen. All of the new claim fees were paid by NT Products, Inc., a company owned by Charles Bowen. Thirty-one of the claims are named "NYI" followed by a number ranging from 1 to 37, which are interspersed between the various owners.

On August 15, 2011, right before the annual assessment was due, Keith Bowen transferred nine of the claims located in his name to Eva Landry. All four of the waiver documents were completed in the same handwriting and filed together. On December 13, 2011, we received five Affidavits of Labor for these 39 claims. All Affidavits were received together, all completed by Keith Bowen and all fees were paid for by Keith Bowen.

All of the above facts point to the fact that these 39 mining claims are definitely related and appear to be controlled by Keith Bowen, or at the very least, under common control of these four claimants. To qualify for a small miner waiver, **you and all related parties** must hold no more than a total of 10 mining claims or sites nationwide. 43 C.F.R. 3835.1(b) and 3835.11(a)(1). **"Related party means** a) the spouse and dependent children of the claimant as defined in section 152 of the Internal Revenue Code of 1986 [26 U.S.C. section 152]; or, b) **a person who controls, is controlled by, or is under common control with the claimant."** **"Control means actual control, legal control, or the power to exercise control, through or by common directors, officers, stockholders, a voting trust, or a holding company or Investment Company, or any other means."** 43 C.F.R. 3830.5.

By signing the small miner waiver, you certified that you and all related parties own ten or fewer mining claims, mill, or tunnel sites nationwide. Filing a small miner waiver that you do not qualify for in order to avoid paying the annual maintenance fee constitutes fraud. As stated under #6 of the waiver, "The undersigned understand and acknowledge that pursuant to 43 U.S.C. 1212 and 18 U.S.C. 1001, the filing or recording of a false, fictitious, or fraudulent document with the Bureau of Land Management (BLM) may result in a fine of up to \$250,000, a prison term not to exceed five years, or both.

If, after reviewing the above, you believe that you qualify for a small miner waiver, each mining claimant listed above must provide to BLM a notarized statement certifying that they are solely and independently in control of the claims listed in their name and that these claims are in no way under common control with the other claims listed here. Please also verify the relationship of these individuals to each other. On each document, Keith Bowen lists a different address, however on the Affidavits of Labor, he lists his address as being the same as Eva Landry.

Please provide the documents requested within 30 days of receipt of this letter. If we do not receive the requested information the small miner waivers will be denied and the claims will be forfeited.

If you have questions regarding this Notice, please contact Amy Thrower at 602-417-9334.

Concerning CMRR#7011 2970 0001 8020 7717

To Whom It May Concern:

These ten claims are mine to do with as I see fit. Keith Bowen, my brother, does not control them or exercise any control on my claims or vice versa. Though the four claim owners mentioned in your inquiry are acquainted and may work cooperatively at times, that is all. As for the question of money and paperwork, since Keith lives in the county and has the time to turn in paperwork to the county and to the Dept. of the Interior, he was asked to do so. If this is a problem, I will personally take care of this in the future. Also, the reason all paperwork and checks were filed last year under Keith's name was that he failed to file the paperwork in time and volunteered to make it right. This will not happen again.

If you have any questions, please call me at, 520-907-9445.

Sincerely,

Charles Bowen
